To

The Secretary to the Government of Madras,  
Public Works Department.

Calcutta, the 26<sup>th</sup> February 1895.

Sir,

I am directed to acknowledge the receipt of your letter No. 179 W, dated the 23rd January 1895, and, in reply to say that while the Government of India are doubtful to what extent experiments of the nature indicated are proper objects for the expenditure of public funds, they do not desire to withhold sanction to the proposed expenditure in the present instance.

2. I am accordingly to communicate, as a special case, the approval of the Government of India of the action of His Excellency the Governor in Council in having sanctioned an expenditure of Rs. 275/- for planting and maintaining fruit trees in the compounds of certain public buildings in the Kistna District which are occupied by Government Officers as residences.

I have the honour to be,

Sir,

Your most obedient servant.

I have surrendered Rs. 5,000  
under 45 Provincial Civil Build-  
ings, I had hoped to be able  
to spend the whole grant to  
put off the surrender as long  
as possible, but I find I am  
unable to spend Rs. 5,000 of the  
grant owing to a delay of about  
3 weeks owing to want of coolies  
in August last when transplan-  
tation was in progress and to an  
unnecessary delay of about a  
month on the part of the workshop  
in supplying iron work for  
verandah posts and braces.
