To the Secretary to the Government of Madras,
Public Works Department.

Government of the North-Western Provinces and Oudh, Public Works Department, Circular
No. 1 P.W., dated 23rd January 1895.

Two cases have lately occurred where forged certificates alleged to have been granted by
the Thomason Civil Engineering College, Roorkee, were used to obtain employment under
Government.

In the first case, Abdul Razak, who had been serving for some years as a sub-overseer
in the Delhi division of the Punjab Public Works Department, secured employment in the
department by tampering with a copy of a College certificate issued in favour of Sheikh
Muhammad by the interpolation of "Abdul Rozak" after the name "Sheikh Muhammad"
and tendering it as a genuine certificate granted to "Sheikh Muhammad Abdul Razak."

In the second case, Wazir Chand, serving in Burma, also obtained an appointment as a
sub-overseer by forging a certificate.

On the discovery of the fraud practised by these subordinates, they were made to take
their trial and were respectively convicted, the former by the Deputy Commissioner of Delhi,
and the latter by the Officiating Recorder of Rangoon, to undergo rigorous imprisonment for
six months each.

2. Under the circumstances stated, it is very desirable that the officers of the Public
Works Department should exercise a careful examination of the Roorkee certificates of men
offering themselves as passed students of that College before they are appointed to the depart-
ment. When, in any case, there appears to be any doubt in regard to the genuineness of a
certificate so tendered, it should at once be submitted to the Principal, Thomason College, for
verification.

ORDER—dated 11th March 1895, No. 557 W., Public Works.
