Office-note from the Examiner of Public Works Accounts, dated 21st February 1895, No. 633 D./E.

Entries in column "Present scale" of the proposition statement have been checked and found correct.

2. Taking into consideration that there is at present a supernumerary draftsman in the Consulting Architect's office (*vide* G.O., No. 3239 W., dated 17th December 1894), it is for Government to decide whether the appointment of temporary draftsman now asked for should be sanctioned.

From H. IRWIN, Esq., C.I.E., Consulting Architect to Government, to the Chief Engineer, Public Works Department, dated 2nd March 1895, No. 3584.

The supernumerary draftsman is only a 3rd-class man not capable of doing the kind of work the temporary draftsman is employed on and, as already reported in my letter No. 3581, dated 1st March 1895, the special grade draftsman is on leave and I absolutely require the services of the temporary draftsman and the one applied for in the letter above referred to to get on with the works in this office.

ORDER—dated 12th March 1895, No. 585 W., Public Works.

Sanction is accorded to the continued employment in the Consulting Architect division during 1895-96 of the temporary establishment detailed in the proposition statement.

2. This sanction has been registered as Provincial No. 71 W. of 1894-95 and classified as Establishment, temporary.
