Estimate for renewing
Brischimbulla Bridge,
South Canara District.

T W

B

The Honorable the Chief Secretary
for favor of counterinitals.

C.W.

Though it seems necessary
that the Executive Engineer
should take delivery of this
timber, the reason given for
paying for it before the
end of the official year
can not be accepted as
satisfactory, being in
variance with a recent
circular on the subject.
The S.E. should be informed
to this effect.

Letter No: 1201 dated 12th March/95 from
the Executive Engineer Bellary Division to
the Superintending Engineer III Circle Bellary

I have the honour to report that
in accordance with your suggestions I
ordered all wood work for the Dharmavaram
and Madakere Taluk Cutcheries from a
firm in Madras. This is now nearly ready
and requires inspection, and I propose, with
your permission, going to Madras to inspect
this on or about the 20th of this month.

The amount involved is over Rs. 10,000
and this amount must be paid to fully
utilize the grants of the Current year. This
cannot be done unless the work is taken over
at Madras at the Railway Station and a
receipt obtained.

No 3079

Copy forwarded to the Chief Engineer
with a request that the Ex. Engineer be at
to go to Madras on duty.

2. Sanction is requested by
