From A. H. GARRETT, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaiswaram, 4th August 1894, No. 916 G.D.

I have the honour to bring to your notice that the Superintendent of Police, Gódayari district, has made over the old police station at Robertsonpetta in the Pithá-puram division to the custody of this department.

2. The building consists of two rooms $23\frac{1}{2}' \times 9'$ and $9' \times 9'$ with verandah front and rear 7' clear and is in fair order, but requires whitewashing and sundry repairs. The estimated cost of the building is Rs. 700.

3. The local heads of other departments who have been consulted in the matter have replied that the building is not required by them. The Superintendent of Police has also stated it is not likely to be required by the Police Department.

4. As the building is not required either for this or any other department, I request you will be good enough to obtain the sanction of Government to its sale by public auction.

ORDER—dated 22nd August 1894, No. 2105 W., Public Works.

The sale of the building by the Revenue Department is sanctioned.

From A. H. GARRETT, Esq., Superintending Engineer, I Circle, to the Chief
Engineer, Public Works Department, dated Dowlaishweram, 28th February
1895, No. 2327 G.D.

With reference to G.O., No. 2105 W., dated 22nd August 1894, sanctioning the
sale of the building named the old police station at Robertsonpetta in the Pithápuram
division by the Revenue Department, I have the honour to submit herewith a copy
of letter No. 410-Ver., dated 7th February 1895, from the Collector, Gódávári, to the
Executive Engineer, Gódávári Eastern Division, and to request that you will sanction
the dismantlement of the building and the sale of the materials as suggested by the
Collector.

ENCLOSURE.

From the Collector, Gódávári, to the Executive Engineer, Gódávári Eastern Division, dated 7th
February 1895, No. 410-Ver.

In reference to the correspondence ending with this office letter No. 3577-Ver., dated 29th
September 1894, regarding the sale of the old police station-house at Robertsonpetta, I have the
honour to inform you that the Deputy Collector, Head-quarters division, began to conduct the
sale on 22nd January last after wide publication in the adjoining villages. He reports that
22nd being also the market day several persons attended the sale including eight influential
persons of the adjoining villages, but that none of them offered a higher amount than Rs. 25 for
the building and the site and that there is not the slightest probability of even the upset price
(Rs. 300) being offered for it at any time.

2. What was once the flourishing village of Robertsonpetta is now uninhabited and deserted
and no one would, I think, find it worth while to purchase the building. As, however, there is
such a vast difference between the estimated value of the building, viz., Rs. 700, and the price
offered, I propose that the building may be dismantled and its material sold by your department
or some other arrangements made for its disposal.

ORDER—dated 18th March 1895, No. 650 W., Public Works.

Sanctioned.
