II CIRCLE,

Dated 6th March 1895.

From,

Major W. L. C. Basset Esquire, R.E.

Superintending Engineer,

II Circle.

To,

The Chief Engineer,
Public Works Department
Madras.

Sir,

In reference to your No. 793
of 2nd March 1895, I have the honour
to report that I do not consider
telegraph offices absolutely necessary
at both Gudiwada and Panam.

2 The Executive Engineer, Ristha
Eastern Division considers that Panam
would be the most convenient
station so far as the canals are
concerned, for it is on the Bunder
canal and nearer to Coovetam
than Gudiwada. Eventually I hope
both offices may be established,
but in the mean time an office at
either Gudiwada or Panam will be
of

of the greatest use and I hope it
may be possible to open one before
next Irrigation Season.

I have the honor to

Sir,
Your most obed^t Serv^t
