To The Chief Secretary to Government, Judicial Department.

Sir,

In reply to Mr Butterworth's reference in No 2086 dated the 26th October 94, I have the honor to state that I am not aware of any orders fixing a limit up to which buildings may be purchased by the Local Government without the sanction of the Government of India.

Para 15, Chapter XI, Volume I of the Government of India Public Works Code, lays down the cases in which houses may be built or purchased by Local Governments as residences for public Servants, and as in the present case the building is required for the use of the Assistant Superintendent of Police Narsa-

Narsapur, and the Cost will apparently form a Public Works Charge, I would suggest a reference on the subject being made to the Examiner, Public Works Accounts.

If the conditions of Code volume I, chapter XI, paras I5 and I7(i) are fulfilled the Local Government can sanction the purchase of the building. Otherwise sanction of Government of India will be necessary under paras I6 and I7(3) of the same chapter.

2. The salary of an Asst. Superintendent of Police first grade is Rs. 500 and 8 per cent on this [Code vol. I XI. I7(I)] would give Rs. 40 while the rental of a building costing Rs. I0,I25 would come to Rs. 82 per mensem. If an officer of a lower grade than Asst. Superintendent, Ist. Grade should occupy the building the difference would be still greater. The purchase of the building would therefore require the sanction of the Government of India.
