PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From the Public Works Department, dated 1st February 1895 N^o 376C, forwarding correspondence regarding the closure of the old Hospital lines at Ootacamund and the construction of new lines for servants near the hospital.

From the Chairman, Municipal Council, Ootacamund, dated 1st March 1895 N^o 4311.

In returning the correspondence regarding the closure of the old Hospital lines at Ootacamund, received with endorsement N^o 178, dated the 11th February 1895, I have the honour to annex the resolution passed by the Municipal Council at the meeting held on the 28th Idem, and to state that the Municipality did not consider the lines objectionable, and only offered to take them because the Executive Engineer thought of obtaining sanction for their demolition.

That the lines were "unsightly and objectionable" to the residents was brought to the notice of the Municipal Council by certain residents in the neighbourhood and by certain owners of houses. Their petition was referred to the Civil Surgeon, Ootacamund and he thought that the lines might be removed.

3. The Municipal Councillor who has dissented from the resolution passed at the Municipal meeting, is the owner of property adjoining the lines.

Proceedings of a meeting of the Ootacamund Municipal Council held on Thursday the 28th February 1895.

Present.

MILITARY DEPARTMENT.

Read the following paper :—

No. 278. *Extract from the Proceedings of the Government of India, in the Military Department; dated Fort William, the 30th November 1894, No. 4053-F.*

[To be substituted for Military Department endorsement bearing the same No. and date.]

Observations.—Under the ruling in para. 359 of the Instructions for the payment of British troops serving in India, certain classes of non-commissioned officers and men are compelled to receive their deferred pay in India at the rate of exchange for the payment of British troops in force at the time payment becomes due. This money cannot, under existing regulations, be remitted to England, except as a final savings bank balance, at the rate of exchange in force at the time of transfer, or through the open market; and owing to the fluctuations in exchange, the soldier may be subject to considerable loss in having his money paid at one rate and remitted, subsequently, at a lower rate.

Resolution.—His Excellency the Governor-General of India in Council has accordingly been pleased to decide, in communication with Her Majesty's Secretary of State for India, that, with effect from the 1st January 1895, the payment of deferred pay shall be regulated as follows :—

- (a) Non-commissioned officers of and above the rank of sergeant, who complete 21 years' service in India, must elect to receive deferred pay either in India at the rate at which their ordinary pay is issued, or on return to England in sterling (without interest): election to be noted on service sheets, and to be final.
- (b) Non-commissioned officers promoted to warrant rank in India—
If promoted to Indian warrant rank in India—shall be paid in India.
If promoted to Indian warrant rank when on furlough—shall be paid by India Office.
If promoted to British warrant rank in India—shall exercise option, as in the case of non-commissioned officers of 21 years' service.
- (c) Non-commissioned officers promoted to commissioned rank in India—
Shall be paid in India, if the corps to which promoted is serving there.
Shall be paid in England, if the corps to which promoted is serving in the United Kingdom or colonies.
- (d) Soldiers discharged in India, or transferred to the Army Reserve with permission to remain in India, shall be paid in India.

2. When deferred pay is drawn in India it shall be converted at the rate of exchange applicable to the pay of British troops; and under no circumstances will a soldier be permitted to alter his choice when he has once made his election as to place of payment.

3. When a man's election has not been noted on his service sheet, the fact shall be reported forthwith for the information of the War Office; it is of the utmost importance that this report should not be delayed, as in its absence the deferred pay cannot be disbursed.

Order.—Ordered that a copy of this Resolution be communicated to the Finance and Commerce Department, the Public Works Department, the Governments of Madras and Bombay, the Adjutant-General in India, the Quarter Master General in India, heads of departments with the Government of India concerned, Controllers of Military Accounts, and the Accountant-General, Military Department.
