PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Agent to the Governor, Vizagapatam, dated 22nd February 1895 J.O. No. 38.

I have the honor to state that Mr. Willock provided Rs. 3000 in the Agency works budget for 1893-94 and Rs. 1000 in that for 1894-95 for improving and repairing the Deputy Tahsildar's Office, and Sub Jail at Tenpore. No repairs were, however made in 1893-94 as he proposed in his letter No. 12 dated 2nd February 1894 to Government to postpone the work till next year and to utilise the amount provided for the purpose of collecting metal on the Itikavalu-Koraput Road, on the understanding that it should be refunded from the allotment for the latter work for the current year. This course was approved in G.O. No. 424 dated 20th February 1894.

2. Now that this amount of Rs. 3000 has been refunded, the current year's allotment for

for the Mysore Taluk Office and Sub-Tail has been raised to Rs: 4000 (3000 + 1000) and it was further supplemented by a transfer of Rs: 434 from the Agency Reserve for 1894-95 for the increased rate for sal wood wrought and put up, over the original estimate. It will thus be observed that the total allotment for the work for the current year is Rs: 4434 and out of this amount only Rs: 323.37 were spent on the work till the end of January last.

I inspected the building on the 11th instant and found the work to be at a stand-still and that much has still to be done in roofing in. The Estate Engineer who is in charge of it explains the delay by saying that he is expecting the wood at from Vizagapatam daily, and I have no doubt that the whole allotment will not be spent within the official year.

3. In coming up to the Hills where I am now touring, I found that the first four miles at the base of the P. Tanghi Ghaut is in a very bad condition and dangerous in parts to loaded carts coming down. The current year's grant of Rs: 10500 (vide my letter Tour F.D. No. 22 dated 16th Dec last to Government) for the road having been almost exhausted, I have once more transferred Rs: 1200 from the allotment

made

made for the Mysore Taluk Office for the immediate repairs of the bad portions of the Itkanalea - Konapur Road referred to above on the same principle as in last year, that it should be refunded to the former from the next year's allotment for the latter work.

I request that my action may be approved.

Order 12th March 1895 No. 230.

The Agent's action is approved.
