I reply to your letter N<sup>o</sup> 2633.H.S. dated 2<sup>nd</sup> February  
1896, and on the Chief Engineer  
N<sup>o</sup> 547 C, dated 12<sup>th</sup> February/96

I have to report that I consider  
my application to be enrolled in  
the list of officers engaging to  
serve permanently in India to be  
equivalent to election. I regret that  
I cannot report the exact date  
of this application, but it was  
written in England about the  
end of August 1894. I request  
that permanent Indian Service  
be considered to have commenced  
not later than the date  
of my landing in India on  
return from furlough viz 30<sup>th</sup>  
September 1894. —

Forwarded to the Chief  
Engineer, Public Works Depart-  
ment with the remark that  
apparently Captain Ellis' serv-  
ice in India would  
be counted from the date of  
his application to the authorities  
in India, and there must be  
a record of the date in the  
office of the Secretary to Govern-  
ment, Public Works Department.

With reference to your No 2966 dated 4<sup>th</sup> Instant I have the honor to state that the total amount of the grant entered in column 5 of the statement submitted by the Examiner does not include a sum of Rs 4021 allotted in G. O. No 111 I dated 7<sup>th</sup> February 1895 which if included makes the total grant Rs 24,100.5. The Examiner. P. W. Accounts has since placed to my credit the balance of letter of credit applied for.

Engineer student Mr. W. A. King is now employed at Madras in connection with the Survey of the Cooum Improvement Scheme, and has a large amount of travelling which does not entitle him to draw any allowance under the ordinary rules. He therefore applies for a horse allowance of Rs 15/- per mensem, the grant of which is, I understand, admissible under G.O. No. 832, of the 13<sup>th</sup> November, 1893, <sup>renewed</sup> Communicated with G.O. No. 3082 W, dated 29<sup>th</sup> November 1893.

2 This G.O. was only Circulated, and in the absence of a copy I cannot exactly determine what are the <sup>Conditions</sup>
