NOTE BY TECHNICAL SECTION.

Name of work Constructing an ornamental iron gate & compound wall for the Medical College at Madras.
Amount of Estimate Rs 4,000

The plans & estimate have been framed with reference to G.O. No. 3132 w dated 7th December 1894 & provide for constructing an ornamental iron gate & compound wall for the Medical College at Madras.

The northern boundary of the College Compound, which is at present enclosed with a wire fence, is stated to be in a dilapidated condition requiring constant repair. It is therefore proposed to provide a masonry compound wall for a length of 1057 feet in lieu of the wire fence, with an ornamental iron gate 12'6" wide & 5 feet high, as per plan.

The compound wall is to be built of stock bricks in chunam with panels of jallies work on concrete foundations. The height of the wall to be 5'3" to top of coping & the surface painted black.
