READ—again the following paper :—

G.O., dated 29th November 1894, No. 3077 W., Public Works.

Read—the following letter from the Executive Engineer, Nellore Division, to the Superintending Engineer, II Circle, dated 26th October 1894, No. 375 S.E. :—

I have the honour to forward copy of letter No. 3918 of 11th October 1894 from Mr. R. A. Graham who was Acting Sub-Collector, Ongole sub-division, from 13th April 1894 to 21st August 1894.

2. Rent was charged Mr. Graham for the Sub-Collector's bungalow, Ongole, from the 13th April 1894, *i.e.*, the day he took charge of the office, under Madras Code, paragraph 1038 A, and Government of India Code, chapter XI, p. 17, clause IV, volume I, up to 17th May 1894 and from 17th June to 21st August 1894, the interim being the period repairs were being carried out to the building.

3. Mr. Graham claims remission of rent from 13th April to 17th May and 17th June to 20th June 1894, as he states that he did not occupy the building for which he has given reason in his letter, and requests that the matter be referred to Government. He considers that his being placed in charge of the Sub-Collector's office is no ground for his being charged rent for the Sub-Collector's bungalow.

As regards the conversation alluded to in paragraph 4 of Mr. Graham's letter, he was not charged rent from 18th May to 16th June, the days he was actually kept out of the bungalow.

4. Sanction of Government appears necessary for the remission of rent during the period of repairs, *i.e.*, 18th May to 16th June 1894, under paragraph 28, clause III A, chapter XI, volume I, Government of India Code.

—

No. 507 N.L.

Submitted to the Chief Engineer, Public Works Department, for favour of obtaining the sanction of Government for remission of rent for the period from 18th May to 16th June 1894 during which the bungalow for the residence of the Sub-Collector at Ongole was under repairs.

2. Agreeably to paragraph 17, clause IV, chapter XI, volume I of India Code, the Executive Engineer's action in charging rent to Mr. Graham, Sub-Collector, from the 13th April 1894 may be correct. It is, however, a matter for consideration whether in the case of new appointments the rent of the house should commence from the date of appointment ; it seems somewhat hard to oblige an officer to pay rent for a building before he is able to live in it. If the rent was charged from the date of actual occupation, the spirit of the rules would be observed.

Office-note from the Examiner of Public Works Accounts, dated Madras, 17th November 1894, No. 4554 D./A.

[Your office-note No. 3551 C., dated 12th November 1894.]

Mr. Graham took charge of the Sub-Collector's office on the 13th April, and as the Sub-Collector's bungalow was available for occupation, he is liable for rent from 13th April to 17th May 1894 under Code volume I, chapter XI, paragraph 17 (4). In his letter to the Executive Engineer, Nellore Division, Mr. Graham gives his reasons for not having occupied the bungalow for the period noted above, and it is for Government to decide whether or not he should be required to pay rent for this period under the circumstances.

2. The bungalow was under repairs from 18th May to 16th June, and Government may, if Mr. Graham was compelled to hire another house, sanction remission of rent for this period and report the same for the information of the Government of India [*vide* Code volume I, chapter XI, paragraph 28 III (*a*)].

Order—dated 29th November 1894, No. 3077 W., Public Works.

In the circumstances stated, Mr. Graham will not be required to pay rent for the Sub-Collector's bungalow at Ongole for the period from the 13th April to 17th May 1894.

2. With regard to the period from 18th May to 16th June 1894, the Superintending Engineer will, with reference to G.O., No. 2776 W., dated 1st November 1894, ascertain and report whether Mr. Graham was compelled to hire another house while the repairs to the Government building were in progress.

Dear Sir I regret if you would refer to Government, the question as to what rent if any is due from me for the bungalow at Ongole.

2. The facts of the case are as follows. After Mr Watkins left the district at the beginning of Raja Kham left the district at the beginning of April last, no one else, for some time, Gazetted to succeed him as Sub Collector and meanwhile on April 13, I was put in charge of the office. It is evident that the intentions of Government was as soon as possible, and I had no reason to suppose that I should be left in charge of the office for more than a few weeks at most.

3 For sometime after taking charge of the office, I was on tour in Gunahandy and did not reach Ongole till 25th May. The bungalow was then under repairs and I could not use it until June 21st. Dangal

4 I have paid the rent from June 21st to Dangal when I finally gave over charge of the office to Mr. Swaminatha Iyer. It appears to me considering the previous nature of my hold on the office the bungalow cannot be said to have been held at my disposal.

4. Further you may remember a commutation

I had with you personally before I left Nellore in the middle of April. In that conversation you gave me to understand that the bungalow was then under repair. I learnt afterwards from your overseer, that the estimate thereof was not approved, and that the repairs were actually begun some time in May. But until I saw the overseer I was under the impression that the bungalow had been under repair all the time from the middle of April till the 21st June.

6 Under the circumstances, I do not think that any rent is due for the period from April 15th to June 21st. In fact it seems equitable that I should only pay rent for the period during which I actually used the bungalow that is from 21st June to 8th July and from 15th to 18th in August. As mentioned above, however, I have actually paid rent from 21st June to 21st August 1894.

Subordinate at Angole told me that the bungalow would shortly be ready for occupation, but about then I went into camp and returned about 21st. This is all the information I can give at this distance of time.
