READ the following paper :—

From the Inspector General of
Prisons. of 2^d. February 1895, No. 698.

Referring to para. 3 of the note
of the Chief Engineer, Public Works Dept.
of 24th. August 1894 communicated
to me in G.O. 5th. October 1894, No. 2428
Judicial I have the honour to request,
that the Government may be pleased to
advise the Chief Engineer to place at my
disposal at an early date the services of
the Experienced Subordinate mentioned.

2. Mr. Olney reports that the
work of building extra huts for convicts and
officials will be completed within about
3 weeks. The collection of materials, the
details of water supply and other similar
matters have to be considered at once, and
the work of making out the foundations
of the Main Wall ^{will} have to be taken up
shortly. Following the advice of the Chief
Engineer

876 D
27-8-94

Engineer in para: 4 of the Note above named,
he recommends that professional assistance
should be obtained as soon as possible -

Order: 21st February 1895, No. 385.

The Public Works Department will
be requested to place at the disposal of the
Inspector General of Prisons the services
of an experienced Subordinate at an early
date.

For consideration whether
Sub Conductor H. Slaney (a
specially recommended man) might
not with advantage of the public
service be placed in charge of
Tiddimane Subdivision (S. Area)
then vacated by V. Kandasami
Mudaliar. Sub Conductor, about
to be transferred for special duty
in connection with the Cuddalore
Jail. Sub Conductor Slaney is
a Supervisor 2nd grade. They are
4 supervisors senior to him, with
no subdivisions (vide accompanying
list) and three of them are more
not recommended for promotion.
The fourth Sub Conductor Kearne
has been 2000 and a short
time (less than a year), and his
transfer is therefore not
suggested. Sub Conductor has
been in the Tinniesly Division
since May 1890.

If this proposal is approved
a further proposal will be made
in regard to the relief of
Sub Conductor Slaney.
