The existing grant for works at the Government House, Madras, is Rs 10000. There is no audit objection to incurring a further outlay up to a limit of Rs 5000, if necessary. But in the present case the C.A. only applies in fact for the transfer of Rs 1000 from the grant for Banqueting Hall to Ban that of Bandome's quarters, the total grant, viz Rs 10000 remaining unaltered. It is submitted, therefore, the additional grant required can be sanctioned.

The required file in regard to Bandome's quarters is put up.
