Sir,

I have the honor to state that
steps are now being taken by the D.P.W.
for the construction of a Hospital
building at Polavaram.

L-3042 W
22/2/95

G.O. no ⁸⁶⁵/_{14.11.94}, Public Deptt,
directs that public Quarters are to be
built for the Hospital Assistant
where buildings for rent within
200 yards from the institution
are not available. I think it
is impossible for the Hospital
Assistant, especially when he is
a Christian, to get a suitable
building for rent at Polavaram

within the prescribed distance.

I have already brought to your notice the difficulty to which my late Hospital Assistant Mr Soans was put to in procuring a lodging at Polavaram.

2. I therefore think it expedient to construct free quarters for the Hospital Asst^t simultaneously with the construction of the Hospital building and request you will move the Surgeon General to take steps on the subject.

3. At the same time it is to be considered whether it is not also necessary to provide the Hospital Assistant attached to my office with quarters. It is true that he is to some extent an itinerating officer but during his halts at head quarters he is placed under the same difficulties

as the Hospital Assistant of the Dispensary.

I have

agency

Submitted to Government through the Surgeon General with the Government of Madras for favor of sanction to construct free quarters for the Hospital Assistant in charge of the Polavaram Dispensary.

2. I shall be glad if similar provision can be made at Polavaram for the Hospital Assistant attached to the Special Assistant Agents' establishment.
