COPY REPORT BY THE CONSULTING ENGINEER

DATED 1st MARCH 1895.

Oil Engines

(Cont. 33/355 of 1894).

With reference to the last paragraph of my report on the above dated July 13th 1894. I shall be glad to know if you have yet received any report on the working of these engines. If you have not, I should be glad if you would ask the Authorities in India to send home a report on their working, and to send also particulars, (and if possible a sketch) of the barges in which they have been placed, with remarks as to fuel, consumption, speed, and handiness of working by native drivers.

Sir,

With reference to the last paragraph of the Consulting Engineer's report dated 13th July 1894, enclosed in my letter to you No.S.7474 dated 20th July 1894, I have now the honour to forward a copy of a further report by the Consulting Engineer, dated 1st March 1895, and I shall be obliged if you will furnish me with the details asked for therein, regarding the oil engines supplied for the Periyar Project in compliance with the indent transmitted with your letter No.653W of 8th March 1894.

I have the honour to be, Sir,

Your obedient Servant,

J. PARKER

Director General of Stores.

The Secretary to Govt.,
Public Works Department,
Madras.
