

Marine Department.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Collector of Kistna,
of 22^d. February 1895, No. 347.

I have the honour to request
that I may be permitted to grant copies of
or otherwise make public, the correspondence
ending with G.O. 416 Marine, of 31st.
October 1894, on the subject of the possibility
of making a harbour at the mouth of
the Nappur river. I have referred to the
matter in ^{casual} ~~normal~~ conversation with my
friends, some of whom seem inclined to
investigate the project further. I presume
that Government would have no objection
to any action in that direction by private
enterprise.

Order.— 2^d. April 1895, No. 96.

Permission granted.
