

Letter No: 4415 dated 27th March/95 from
The Executive Engineer Karnool Division
to the Superintending Engineer III Circle

In reply to Chief Engineer's No: 808
C. dated 2nd March/95 bearing your en-
dorsement No: 2985 dated 5th March/95,
I have the honour to state that the Expen-
diture on repairs of the Asst. Supt.
Bungalow at Nandyal during the last
2 years is about Rs: 260/- or at the rate
of Rs: 130 a year.

2. The main building is in very good
repair and there is nothing to get out of order.
The outhouses are not perfect and will
want repairs from time to time and I
anticipate that the cost of up-keep of the
two buildings as a Rest House will not
exceed Rs: 120 annually made up as follows

1 Watchman at Rs: 5
per mensem for 12 months — Rs: 60 — a —
Sunday repairs white washing,
clearing drains, repairs to stables &c Rs: 60 —

Rs: 120 — a —

Endorsement of the Local and Municipal Department dated 15th February 1895, No. 199 on the following letter from the President District Board, Kurnool dated 5th February 1895 No. 107:—

In forwarding herewith a copy of the District Board's resolution No. 135 dated 30th January 1895 on G.O. No. 3097 J.D. dated 14th December 1894 regarding the taking over of the Assistant Superintendent's residence at Nandyal, I have the honor to recommend that, as the Board declines either to purchase or to rent the building, it may be converted into a District Officer's Rest House and placed in charge of the D. P. W.

Nandyal is the centre of the District and Inspecting Officers are continually passing through and they all feel the want of a rest house very much.

Order of 26th February 1895, R. No. 238.

The Public Works Department will be requested

to state the average cost of keeping up the bungalow as a rest house.
