Executive Engineer's office,
Salem Division,
Salem, 2nd April 1895.

From,

Mdly. S. Gopalakrishnier, Agt., Rai Bahadur,
B.C.E.,

Executive Engineer,
Salem Division.

To,

The Superintending Engineer,
Fourth Circle,
Coimbatore.

Sir,

With reference to your No 36SL, dated 29th March 1895, I have the honor to inform you that, as in your No 36SL of the 5th February 1895, no report was called for from me, I was under the impression that you would yourself have replied the Chief Engineer.

2. The estimate for the improvements to Collector's Cutcherry was received sanctioned in this office without an allotment on 13th December 1894 and I was asked to report the amount that may be spent on it within the official year. But before I could submit my report the grant of Rs 5000 made in G.O. No 3288W, dated 21st December 1894 was communicated to me with your No 1C, dated

dated 2nd January 1895. It was necessary
to call in tenders for the work and a
Contractor for it was approved of by you in
your No. 25 S.L., dated 28 January 1895. The
work is the construction of upstairs rooms,
before starting which it was necessary
to get ready ventate door and window
frames in addition to bricks, chunam &c
and these could not be procured at a
short notice. Hence it was considered
impossible to utilize Rs 5000 which is more
than half the amount of estimate and
therefore Rs 3000 was surrendered.

I have the honor to be,
Sir,

Your most obedient servant,
(Sd) S. Gopalakrishnia,
Executive Engineer.
