

Rain-Gauge pillar, being erected by the Public Works Dept. in the new site selected, i.e. in the compound of the Head Assistant collector's office. after the model of those already erected by that department in other parts of the District.

3. There is no provision in the Budget for the work of which the cost is Rupees 25. I request that this small amount may be sanctioned from savings.

Resolution: —
submitted to Government with the request that orders may be issued for the removal of the Rain-Gauge from its present site & its reconstruction in the Head Assistant Collector's office compound by the Public Works Department.

2. If necessary the cost may be met by transfer from savings under "26 Scientific & Other Minor Departments", Provincial statistics "Rain-Gauges" in the Budget Estimate of charges for 1894-95.

3. The Board regrets that sufficient care was not taken in selecting a proper site in the first instance.

Endorsement

Forwarded to the secretary to Government Revenue Department. The sanction of Government to the Financial Department is required for the execution of the work in question by the Public Works Department.

Order thereon 6th April 1895 NR 1450 Mis.

Orders will issue in the Public Works Department for the construction by the agency of that department of the Rain-Gauge pillar referred to in the Board's Proceedings read above.

2. It is presumed that the necessary funds can be provided from the Public Works Budget.
