PROCEEDINGS OF GOVERNMENT JUDICIAL DEPARTMENT.

Read the following :

*M. Hammick Esq. S.C.S.*  
From ~~the~~ Inspector-General of Police No. 7431 dated 15th  
December 1894 :--

I have the honour to bring to the notice of Government the necessity for constructing a new Police office at Vizagapatam .-----

2. The present Police office, an old Dutch building, has been pronounced by the Executive Engineer quite unfit for occupation owing to the heavy rains in September 1892. The office has since been temporarily located in the Police ~~office~~ <sup>hospital</sup>, the patients being accommodated in the hospital Assistantant's quarters formerly used as a vaccine depot.

3. The Executive Engineer is of opinion that such extensive repairs are necessary that it would be cheaper to abandon the present office and build a new one.

4. The Police hospital is, in every way, unsuited for an office, and it is desirable that it should be retained for the purpose for which it was built.

5. In these circumstances I request that sanction may be accorded for the erection of a new Police office on the site of the existing one which should be demolished, and recommend the design approved of for the Police office at Anantapur (vide para 2 of my letter No. 5390 dated 17th September 1894 disposed of in G.O. No. 2482 dated 12th October 1894, I.D.

6. If my proposal is sanctioned, I beg that orders may issue in the Public Works Department for the preparation of the necessary plans and estimates.
