

Office of the Consulting Architect to Govt.,
Chepauk, Madras.
10th April 189

No. 151

From

Henry Irwin, Esq., C.I.E.,
Consulting Architect
to the Government of Madras,

To

The Chief Engineer
Public Works Department.

Sir,

Enclosures

With reference to G.O. No. 165 W. dated 22nd January 1895 sanctioning certain proposals in connection with the Establishment employed in this Division consequent on the abolition of the late North Sub. Division, I have the honor to state that on my sending an extract from the Memoir of Mr. Murugasam Mudaliar's Service Book to the Executive Engineer Military Works Division, Bangalore for verification from the records of the Office of the late Presidency Division that Officer informs me as under:-

" The date of commencement of
" this man's service is entered in
" the extract as 18th May 1866,

" but his name does not appear
" in the Salary bills previous to
" August 1867, except as an acting
" Lascar on A03 from 6th February
" 1867 to 26th March 1867"

2. Thinking that the entry in the
person's Service Book was correct, I
recommended that he be retired on
18th May 1895 when he will have com-
pleted 30 years service, but as it now
turns out that his service commenced
only in August 1867, I beg to recom-
mend that he be kept on as a super-
numerary till August 1897 or till he
shall have completed 30 years service.

3. Jeon Murugasam is now 58
years of age.

I have the honor to be

Sir

Your most Obedt Servant

Henry Muir

Consulting Architect
to Govt.

Public Works Department.
