The Secretary to Government
Public works department
Fort St. George

Humble Sheweth

The humble petition of B.
Ramaswamy Moondy Brundh Merchant
at Vanniyambadi Salem Dist, most
respectfully begs to represent the
following

2. That your petitioner's father has
constructed a house in the
Town of Vanniyambadi about
40 or 50 years ago, now existing
the Municipality was established
in this Town the houses have
been very reasonably estimated
& house tax levied, now the
estimate of the houses have
been revised, and your petitioner's
house has been overestimated
by one of the Councillors
of the Vanniyambadi Municipality

India. it's four times more than
its real value & thereby the tax
has been considerably increased.
Appeals to the Chairman of
the Municipality have been proved
unsuccessful.

3 Your humble ^{petitioner} therefore requested
the Inspector Sub-div officer
of the D. P. W. to depute for one
day an overseer to estimate the
value of your petitioner's house
on the condition of
paying his pay and allowance
for one day. Your petitioner was
favored with a reply that his
request cannot be complied with
unless ordered by Government.

4 Your petitioner therefore humbly
craves upon your honors mercy
to direct the D. P. W. Executive Engineer
of Salem to spare the services of
an overseer to estimate your petitioner's
house & that your petitioner will
bear the salary & allowances of
an overseer so deputed.

For which act of kindness your
petitioner will as in duty bound shall
ever pray. Your petitioner's kind
most obedt
M. S. S. S.

Case 3013

W

For orders whether the
petitioners request can be
Complied with.

If granted, the one
would apparently fall
under clause (c) Art. 91
C. S. Payers, the day's salary
paid by the petitioner being
regarded as the fee to be
credited to Govt., while the
overseer would receive his
pay as usual.

It seems a question
however whether the services
of a Govt. officer should
be sent to a private
individual to enable
the latter to dispute a
municipal assessment.
