Resolution.—The revised and budget estimates of revenue and expenditure for 1894-95 and 1895-56, respectively, are passed by the Government of India for the amounts shown in the accompanying statement.

2. On a consideration of the progress of revenue and expenditure, the Government of India have increased the amount proposed as the revised estimate of revenue from Provincial Civil Works in charge of departmental officers in the North-Western Provinces and Oudh by Rs. 20,000 and have reduced the amounts proposed as the revised estimates of expenditure on Provincial and Incorporated Local Civil Works in charge of departmental officers as follows :—

	Provincial Civil Works.	Incorporated Local Civil Works.
	Rs.	Rs.
Lower Burma	...	86,000
Assam	40,000	65,000
Bengal	90,000	...
North-Western Provinces and Oudh	2,00,000	75,000
Punjab	...	10,000
Madras	10,000	10,000
Bombay	25,000	...

3. The Government of India invite attention to the following remarks in connection with the provision for establishment in the estimates for the ensuing year :—

Central Provinces.—Provision has been made for the whole of the sanctioned Engineer establishment. As three officers are on furlough it is unnecessary to provide for the whole number as if on duty.

Lower Burma.—The provision for office and petty establishment appears excessive.

North-Western Provinces and Oudh.—A sum of Rs. 1,02,000 has been provided for the Chief Engineer's office against a sum of Rs. 96,000 for 1894–95. The increase appears excessive.

Punjab.—Provision has been made for the full number of Engineers. A reduction might be made by allowing for absentees.

The provision of Rs. 29,532 for petty establishment appears excessive. For 1894–95 a sum of Rs. 19,317 only was provided.

4. In the final issues of the estimates for 1895–96 and in the estimates of future years the grants for Original Works should be distributed between "Works not commenced" and "Works in progress" in the abstract of expenditure by departmental heads.

5. The final issues of the Provincial and Incorporated Local Public Works budget estimates should be prepared for the amounts passed and 50 * copies despatched so as to reach the Government of India not later than the 1st May 1895.

Order.—Ordered that the foregoing be communicated to the Local Governments and Administrations noted in the margin for information and guidance.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab.
The Chief Commissioners of the Central Provinces, Burma, Assam and Coorg.
The Agent to the Governor-General, Rajputana.

Ordered also that copies be forwarded to the Finance Department and to the Accountant-General, Public Works Department, for information.

The revised and budget estimates of revenue and expenditure under Provincial Civil Works for 1894–95 and 1895–96 respectively, as shown in the statement annexed to the resolution of the Government of India recorded above, have been adopted in the final issue of the budget.

2. The revised estimate of charges for 1894–95, as shown in the preliminary budget, amounted to Rs. 22,35,905. The Government of India having reduced the estimate to Rs. 22,26,000 on consideration of the progress of expenditure, the necessary alterations have been made under departmental heads.

3. The transfer of Rs. 39,018 sanctioned in G.O., No. 250,* Financial, dated 19th March 1895, from 45. Provincial Civil Works to 43. Provincial Minor Works and Navigation to meet the percentage charge on the increased revenue of the Cauvery delta system has not been included in the revised estimate, the time limit fixed by the Government of India for changes in this estimate having previously expired. The adjustment will, however, be carried out in the accounts for 1894–95 and explained by the Examiner in the finance accounts.

* G.O., No. 719 W., dated 23rd March 1895.

4. A sum of Rs. 20,000 has been provided for the Taluk office at Vinukonda in the Kistna district in accordance with G.O., No. 662 W., dated 19th March 1895, and paragraph 2 of G.O., No. 728 W., dated 23rd March 1895.

5. The modifications of grants sanctioned in the marginally-noted Proceedings have been carried out in the final issue of the budget.

G.O., No. 525 W., dated 7th March 1895.
" " 828 W. " 3rd April "
" " 831 W. " 3rd " "
" " 961 W. " 24th " "

6. Of the sum of Rs. 1,41,000 allotted for the Women and Children's hospital at Madras, Rs. 30,000 will be reserved by the Consulting Architect for the Detention hospital which has to be provided in exchange for the existing buildings.

7. The amount required for incomplete works will be provided from the reserve on receipt of detailed proposals from Superintending Engineers and the Consulting Architect. These should be submitted as early as possible.

8. With reference to G.O., No. 2557 W., dated 13th October 1894, a sum of Rs. 120 has been provided for the conservation of archæological works.

9. The application for funds for Agency works in the Jeypore estate, which the Superintending Engineer, I Circle, was directed in paragraph 8 of G.O., No. 283 W., dated 5th February 1895, to submit, has not yet been received. It should be expedited.

10. The distribution of grants for "Minor Works" and "Repairs" is shown in Part II of the budget and that for "Tools and Plant" in Part IV.

11. The allotments applied for by the Chief Engineer, Military Works, Madras Command, for expenditure on "Minor Works" and "Repairs" at Bangalore and Wellington have been provided in Part II.

12. Superintending Engineers and the Consulting Architect will make proper arrangements for the early submission of plans and estimates for the unsanctioned works provided with allotments. No expenditure should be incurred on these works until estimates have been sanctioned by competent authority.

13. The net debit to Provincial Civil Works on account of "establishment" as shown in the preliminary budget amounted to Rs. 5,09,643. This debit has been increased to Rs. 5,29,250 in the final budget in consequence of a reduction in the allotments for "Irrigation Works."

RESOLUTION.—The Revised and Budget Estimates of revenue and expenditure for 1894-95 and 1895-96, respectively, are passed by the Government of India for the amounts shown in the accompanying statement.

2. On a consideration of the progress of revenue and expenditure the Government of India have increased the amount proposed as the Revised Estimate of revenue from Provincial Civil Works in charge of Departmental officers in the North-Western Provinces and Oudh by Rs. 20,000 and have reduced the amounts proposed as the Revised Estimates of expenditure on Provincial and Incorporated Local Civil Works in charge of Departmental officers as follows:—

	Provincial Civil Works.	Incorporated Local Civil Works.
	Rs.	Rs.
Lower Burma	...	86,000
Assam	40,000	65,000
Bengal	90,000	...
North-Western Provinces and Oudh	2,00,000	75,000
Punjab	...	10,000
Madras	10,000	10,000
Bombay	25,000	...

3. The Government of India invite attention to the following remarks in connection with the provision for establishment in the estimates for the ensuing year.

Central Provinces.—Provision has been made for the whole of the sanctioned Engineer Establishment. As three officers are on furlough it is unnecessary to provide for the whole number as if on duty.

Lower Burma.—The provision for office and petty establishment appears excessive.

North-Western Provinces and Oudh.—A sum of Rs. 1,02,000 has been provided for the Chief Engineer's office against a sum of Rs. 96,000 for 1894-95. The increase appears excessive.

Punjab.—Provision has been made for the full number of Engineers. A reduction might be made by allowing for absentees.

The provision of Rs. 29,532 for petty establishment appears excessive. For 1894-95 a sum of Rs. 19,317 only was provided.

4. In the final issues of the Estimates for 1895-96 and in the Estimates of future years the grants for Original Works should be distributed between "Works not commenced" and "Works in progress" in the abstract of expenditure by departmental heads.

5. The final issues of the Provincial and Incorporated Local Public Works Budget Estimates should be prepared for the amounts passed and 50* copies despatched so as to reach the Government of India not later than the 1st May 1895.

* 15 copies to Simla and 35 to Calcutta.

ORDER.—Ordered, that the foregoing be communicated to the Local Governments and Administrations, noted in the margin, for information and guidance.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab.
The Chief Commissioners of the Central Provinces, Burma, Assam, and Coorg.
The Agent to the Governor General, Rajputana.

Ordered also, that copies be forwarded to the Finance Department and to the Accountant General, Public Works Department, for information.

Note for His Excellency the Governor:-

With reference to the enquiries made by His Excellency on the draft of G.O. 959 W. dated 24th april 1895, the following information is submitted:

(1) Item 67, Class B.

The question as to the use to which "Grasmere" is to be put has not yet been finally decided in the Educational Department vide G.O. 813 W. dated 2nd april 1895. The work entered in the budget was brought forward by the Consulting Architect in anticipation of future contingencies, but no allotment has been provided for it. The entry appears under Class B. The amounts shown in this part

part of the budget are not allotments. They are merely sums applied for by Executive officers.

(2) Pending orders in the judicial department on the letter from the Government of India referred to by His Excellency, the Suptg: Engineer will be directed to defer expenditure on the Calicut Lunatic Asylum Buildings.

(3) The Chief Engineer has already directed the suspension of work on the new public warehouse. The report of the Committee on the New Harbour Improvements has already been drafted and will be laid before Government shortly.

The delay in submitting this explanation was caused by the necessity of a reference to Madras.

Reply to His Excellency's query on the draft order of Provincial Budget
