Proceedings of the Board of Revenue

(Land Revenue).

Dated 17 December 1896

No. 6937 Ris

READ the following letter from W. J. H. Le Flamm Esqr. Collector of Godavari, dated 1st December 1896, No. 4343/Rev, to the Secretary to the Commissioners of Land Revenue, Madras.

In reference to the remark against item No. 13 in the list of works costing more than Rs 500/- to be executed by the agency of the Public Works Department during 1895-96, I have the honor to submit herewith an estimate for Rs 500/- providing for plain wire-fencing to the compound of the Taluk Office Rajahmundry and request that the entry of this work

work in the above list may be removed.

2. The Taluk Office is situated in an inhabited part of the town, and its present hedge which is made of aloes forms a favourite resort for snakes. The Municipality have taken objection to the hedge, nor is it desirable to have such a hedge as is dangerous to the residents in the neighbourhood.

3. I therefore request that the estimate may be sanctioned and transferred to the D.P.W. for execution at an early date.

Resolution

Submitted to Government with reference to B/P. dated 17.10-94 No. 5750 with the request that the work referred to may be omitted from the Godavari Collector's list and the estimate transferred to the P.W. Department for execution at an early date.
