Sir

I have the honor to
request I may be per-
mitted to retire from
the Service.

I completed 25 years
actual service early
in January 1894, which
would entitle me to
a pension of Rs 5000 a year
& @ the min. exchange $\frac{1}{9}$,
would be £437-10-0 as I

would wish
(Victoria, Australia)
for the present with option
of taking it in England
hereafter.

If I am correct in the
above I should prefer
accepting pension now
& cancelling the re-
mainder of my ^{salary} pay.
The amount at credit
in the C.E. Provident Fund
can I suppose be remitted
home at the Govt. Exchange
& paid by the Colonial
Treasury.

I have the honor to be
Sir
Yours most obedt Servt
