NOTE BY TECHNICAL SECTION.

Name of work Taluk Office at Tenali
in the Krishna District.

Amount of Estimate Rs 990

With reference to para 4 of G.O.
No 2328 W dated 9th Sept 1893, the
SE II Circle submits for the sanction
of Govt. a supplemental
estimate amounting to Rs 990
for providing a wire fence
around the compound of the Taluk
office at Tenali, in the Krishna
Dist.

The fence will be 1530 feet
in length & will consist of 5 lbs
of plain wire 4 feet high with
angle iron standards, strain
ing posts &c. complete.

The rates cannot be checked
with the Divisional schedule but
they appear to be fair when
compared with Messrs. Richards
& Cuddes catalogue.

The estimate is in order &
may be sanctioned as supplemented
to the sanction of Rs

\$ 38,320 accounted in G.O. No. 2328

Note for His Excellency
the Governor.

I am sorry to say
that all forms of fence
are unsatisfactory in this
country with the single
exception of iron railings
the cost of which is pro-
hibitory in the case of
any but very important
buildings.

2. Walls require constant
repair if they are not to
look untidy and unsightly,
and hedges of all kinds
harbour snakes and if
near a public road,
are shelters for the
commitment of nuisances.
3. On the whole I think
wire fences are the

least unsatisfactory form

I suppose this is all right -
but wire fences are most
unsatisfactory. I wish the
Chief Engineer could devise
some better plan for protecting
public buildings.
