SIR,

With reference to para 4 of Chief Engineer, Military
Works' letter embodied in P. M. G. No. 3250 W. of 18th
December 1894, I am desirous to state that sanction
has now been accorded to the transfer of the office
of the Principal Medical Officer, Madras Army,
to Ootacamund, and to request that the old Nilgiri
Divisional Office at this Station which is now vacant
may, should there be no objection, be made available
for its accommodation.

I have the honor to be,

Sir

Your obedient servant

G. Simpson

Colonel

Asst. Quarter Master General

For D. Adjutant General

As there is no immediate
expense no such cost
apparently be charged to
Imperial funds for the
use of the building, but
it might be stipulated
that the transfer, if
sanctioned, is only tem-
porary; and that the
building must be handed
back when required for
Imperial purposes. It
might also be a con-
dition that the building
should only be used for
public offices and not
be rented out to private
individuals as was
done on the last occasion.

For orders.

The building is now empty, and so far as it known there is no immediate need of it for Provincial purposes. Its transfer to Imperial will not therefore cause any expense to the transferring service at present. But there are two contingencies which may arise hereafter when expense would be caused to Provincial if this building were not available - viz.

- (1) If Military Works are retransferred to the S.W. Dept and the Belgians Dr. is received.
- (2) If additional quarters are required for Secretariat Clerks. (Present quarters do not accommodate all the Clerks taken up, and families have had to double up in order to find room)
