GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers:—

From J. THOMSON, Esq, President, District Board, Tanjore, to the Chief Secretary to Government, dated Vallam, 19th December 1894, Current No. 1136-D B.

I have the honour to submit the consolidated revised estimate for 1894–95 and the budget estimate for 1895–96, of receipts and charges of the local funds of the Tanjore district, together with the prescribed statements as per list enclosed.

2. The estimates were placed before and approved of by the district board at a meeting held on the 12th instant—*vide* copy of resolution enclosed.

3. *Revised estimate for* 1894–95.—The subjoined statement shows the estimated receipts and charges for 1894–95:—

—	District board	Tanjore taluk board	Kumbakónam taluk board	Negapatam taluk board	Mannárgudi taluk board	Pattukkóttai taluk board.	Total taluk boards.	Grand Total.

Balance	1,75,230	26,110	16,340	6,780	10,710	2,120	62,060	2,37,290

As compared with the sanctioned budget of 1894–95, the revised estimate stands as under:—

—	As per budget for 1894–95	As per revised estimate	Difference
	Rs	Rs	Rs
Opening balance	1,91,510	1,98,440	+ 6,930
Receipts	9,85,250	10,28,420	+ 43,170
Total	11,76,760	12,26,860	+ 50,100
Expenditure	11,08,760	9,89,570	— 1,19,190
Balance	68,000	2,37,290	+ 1,69,290

4. The revised estimate of receipts shows a net increase of Rs. 43,170 over the budget estimate, the item chiefly contributing to this increase being "cess on land." The decreased expenditure arises from only Rs. 3,19,960 being credited from the Railway Guarantee fund under orders of the Accountant-General as against the provision made of Rs 4,20,000. These and other variations under receipts and charges are fully explained in the remarks column of Statement No. IX.

5. *Budget Estimate for* 1895–96.—The year is expected to open with a balance of Rs. 2,37,290. Adding to this Rs 8,10,730, the estimated receipts of the year, the total assets amount to Rs. 10,48,020. Deducting Rs. 8,09,300, the amount proposed to be spent, the year is expected to close with a balance of Rs. 2,38,720. Of this sum, Rs. 1,73,310 belongs to the Railway Guarantee fund, Rs. 22,330 to the general fund, and Rs. 43,080 to the endowment fund, the distribution between the district and taluk boards being as shown in the margin.

The subjoined statement shows in one view the estimated figures of the year under district and taluk boards. With reference to G.O , No. 287 L., dated 12th February 1891, the balances under general funds for all boards are taken at 5 per cent. of the receipts, transferring the remainder to the head of "reserve" :—

6. (1) *Rates and Taxes.*—The revised estimate for 1894–95 stands at Rs 20,000 in excess of that for the following year owing to the large arrears that had to be collected; the figure adopted for 1895–96 is based on the land revenue collections estimated for the Provincial budget—

	Rs	Rs	Rs
Nine pies ..	2,97,000	3,26,240	3,11,240
Three pies ..	99,000	1,08,760	1,03,760
Total ..	3,96,000	4,35,000	4,15,000

7. *Tolls*—(1) *Tolls under Act V of* 1884.—The revised estimate figure Rs. 10,390 is adopted. No new tolls are proposed and no variation of moment in the income of the existing tolls is looked for.

(2) *Contribution from Municipalities.*—Credit is taken for Rs. 27,590, the amount advised by the five municipalities. The Taluk Board, Kumbakónam, entered Rs. 2,000 as income from tolls under this head on the ground that the roads solely maintained at the cost of the taluk board enter the Kumbakónam and Máyavaram municipalities, and on the principle adopted by the district board with regard to the appropriation of ferry rents by the district and taluk boards (*vide* paragraph 20 of the Local Fund Administration report for 1892–93). Such contributions have hitherto been receipts only of the district board, and contributions of a general nature must be paid to the district board under clause 3 of section 16 of the Local Fund rules. District board roads also enter these municipalities and the district board declines to allow the taluk board's claim.

8. *House-tax.*—The variation is chiefly due to the proposed introduction of house-tax in the Erucattangiri and Olugumangalam villages to be included in the Tranquebar union which is expected to yield Rs. 1,150 and to the revision of assessments in certain unions under the Negapatam and Mannárgudi taluk boards. The above-named two villages near Tranquebar were hitherto nominally included in the union for purposes of sanitation Government will be addressed separately regarding their full inclusion in the union. Proposals have been made by the Pattukkóttai taluk board to form Arantángi and surrounding villages into a union, but the scheme is not yet matured.

	Rs.
1894–95 ..	14,330
1895–96 ..	15,840

9 *Education*—(*a*) *School Fees.*—The figures given by the educational officers are adopted Under the taluk boards increased collections are expected in the Tirutturaippúndi and Arantángi salary-results schools.

	1894–95 Rs.	1895–96 Rs.
District board ..	200	180
Taluk boards ..	12,290	12,650

10. *Interest on Government Securities.*—The decrease of Rs. 5,140 under Railway Guarantee fund represents the interest on Rs. 3,42,000 (Rs. 5,42,000 the total amount of investments on the 31st March 1894 *minus* Rs. 2,00,000 proposed to be withdrawn during the current year) calculated at 4 per cent. for the first four months and at $3\frac{1}{2}$ per cent. for the rest of the year, as the investments have been tendered for conversion to the $3\frac{1}{2}$ per cent. with effect from 1st August 1895. The same explanation applies to the marginally-noted decrease under endowment funds, district and taluk boards.

11. *Market Rents.*—The increase is due to the proposed levy of fees in the two markets at Seruvaviduthi and Adirámpatnam to be opened during 1895–96, for which proposals will be submitted separately.

	Rs.
1894–95 ..	600

	Rs.
1894–95 ..	15,430
1895–96 ..	16,360

13. *Contribution from Provincial Funds for Education.*—The increase under the district board is due to expected grants on behalf of the Rajamadam Middle school where a third form is proposed to be opened; and the decrease under the taluk boards chiefly to the loss of income from the Kudavasal Middle school which has been abandoned by the taluk board.

	1894–95 Rs.	1895–96 Rs.
District board ..	1,100	1,340

15. *Allotment from Taluk Funds.*—With reference to paragraph 21 of the budget for 1894–95, embodied in G.O., No. 589 L., dated 28th March 1894, a sum of Rs. 1,350 as due from taluk board and local fund public works servants is proposed to be recovered on account of 1893–94. from the taluk boards as per margin.

EXPENDITURE.

17 *New Works—Communications.*—No new works of importance can be undertaken.

17-*a. Repairs—Communications by Local Fund Department.*—With reference to paragraph 27 of the current year's budget, the Local Fund engineer recently brought to notice the bad condition of the metalled portion of road No 35 owing to the reduced grant of Rs. 135 per mile and proposed enhancing it to Rs. 500 The district board has accordingly raised this grant.

18. *Repairs—Communications by Public Works Department.*—The provision of Rs. 4,450 is made at the request of the Executive Engineer, Negapatam division, as a moiety of the cost of maintenance of the Védáranniyam Canal.

19. *Repairs—Miscellaneous. Public Improvements.*—A provision of Rs. 17,200 is made for the fieldwar survey of chattram villages referred to in paragraph 28 of the current year's budget—Rs. 10,000 to complete the purchase of stones and Rs. 7,200 for the survey of their area of 120 square miles at Rs. 60 per mile. The taluk boards, Kumbakónam and Negapatam, have provided Rs. 550 each for the continuance of the survey establishments sanctioned in the current year's budget to prepare plans of the streets in unions and large villages, and Rs. 400 has been allotted by the former board for the purchase of the requisite survey stones, instruments, &c.

20. (*b*) *Establishment—Tolls and Ferries.*—A sum of Rs. 580 is provided for the continuance of the establishment sanctioned in G.O., No. 1196 L., Mis., dated 29th June 1894, for the two toll-gates at Tiruválúr, as they will probably still have to be worked departmentally.

21. *Contribution to Provincial Funds.*—A sum of Rs. 1,00,000 is provided as contribution to Government on account of the construction of the Máyavaram-Muttupet Railway, being the balance due after the adjustment in the current year of 3·19 lakhs out of 4 19 lakhs referred to in paragraph 82 of the administration report for 1893–94 embodied in G.O., No. 1934 L., dated 2nd October 1894.

22. *Grant II, Education—Sessional Schools.*—Provision is made for the continuance of the three sessional schools working in the current year at a cost of Rs. 870.

23. *Secondary Schools—Salary System.*—Provision is made by the taluk boards for increasing the pay of the fourth master of the Tiruválúr High school from Rs. 35 to Rs. 45 per mensem, and that of the second pandit of the Tiruvádi Sanskrit High school from Rs. 25 to Rs. 30.

	RS.
1894–95	7,440
1895–96	7,660

24. *Salary-result System—Salaries of Masters.*—The increase under the district board is due to the proposed entertainment of a teacher on Rs. 20 for the third form to be newly opened in the Rajamadam Middle school and to the increase of its gymnastic instructor's pay from Rs. 7 to Rs. 10–8–0 per mensem, while the variation under the taluk boards follows on (1) the inclusion under this head of the salaries of the masters of the Arantanghi salary results school in addition to a provision of Rs. 230 for increasing the salaries of the masters of the said school rendered necessary by its being raised to a middle school; (2) the absence of any provision for the Kudavasal Middle school which has been abandoned; and (3) the raising of the salaries of certain teachers of the Pattukkóttai and Tirutturaippúndi Middle schools.

District board ..	1,610	1,890
Taluk boards ..	2,980	3,240

25. *Clerks and Servants.*—The decrease of Rs. 30 under the taluk boards follows on the abolition of the Kudavasal Middle school and an increase of Rs. 12 per annum in the pay of the peon of the Tirutturaippúndi Middle school.

	RS.
1894–95	210

26. *Elementary Schools.*—In her No. 7624, dated 23rd December 1893, the Inspectress of Girls' Schools recommended the adoption of a lower scale of salary as per margin to the teachers of the Nidamangalam Girls' school under the district board, the present scale being considered high. Her recommendation has accordingly been adopted. Proposition statements for the above changes as well as for other variations under this head under the district and taluk boards are submitted as per separate list.

27. *Purchase of Books.*—No provision is made as the district board has recently resolved to abolish the Book Depôt with effect from the 1st April next on the ground that the outside market affords ample opportunities for purchase.

28. *Grant III, Hospitals and Dispensaries.*—The increase under the head "Medical subordinates" in the district and taluk boards and that under clerks and servants in the district board is due to the Medical officers and compounders in the several institutions reaching higher grades in 1895–96. Provision is also made for the entertainment of the following additional hands for the Rajah-Mirasidar hospital at Tanjore to cope with the increasing work (*vide* copy of remarks of the Surgeon-General submitted with my No. 228, dated 14th December 1894) and for the training of a female apothecary at Madras on Rs. 20 per mensem.

29. *Midwives.*—The increase is due to the proposed raising of the pay of five midwives under the Kumbakónam and Pattukkóttai taluk boards, and to the entertainment of a midwife at Tirukkattuppalli under the Tanjore Board The services of the one at Arantanghi are proposed to be dispensed with for want of sufficient work.

(2) Increase of Rs 2 per mensem to the pay of the sweeper for looking after the preparation of specimens and attending generally to the dissecting room	2

31. *Choultries—Establishment.*—The system of management of the chattrams—feeding and landed property—introduced in 1890 has not worked as was hoped. It is not believed that any improvement has been effected in the control of the food distribution, and the management of the villages and collections has retrogaded, if one may judge from the increasing arrears, disputes with tenants and defalcations of agents. The Deputy Collectors in direct charge have accordingly made proposals which have for them main features (1) the amalgamation of the two branches with consequent general utilization of all servants, (2) a Tahsildar with an establishment for each of the two ranges and the introduction, as far as is necessary, of the Government system of village accounts of cultivation and collection, and (3) the revision of the staff of revenue inspectors and village officers and of chattram and other servants. The details and reasons will be found in the proposition statements. With this establishment properly selected—for, the endowment fund has suffered much from incompetent hands—and the early introduction of a survey, it is probable that the income will increase and misconduct be diminished.

31-*a*.—The increased expenditure under the taluk boards is due to the appointment of a sweeper on Re. 1 per mensem for the Ethiswaram mutt under the Negapatam taluk board and to the marginal changes in the establishment of the Kalliyanamahal chattram under the Tanjore taluk board.

32. *Grant IV, Establishment in the District Board's Office.*—It is proposed to increase the pay of the head clerk from Rs. 70 to Rs. 80 including pensionary contribution. The pay of this appointment was fixed by the board at Rs. 80 in 1886—*vide* paragraph 7 of G.O., No. 941 L.F, Financial, dated 9th August 1886, but on the ground that it had only recently been raised to Rs. 70, the former sum was not sanctioned. It has accordingly stood at Rs. 70 for the last eight years, but the work has so considerably increased that the board considers the present occupant of the office—a graduate four years in their service—may be advanced to Rs 80. It may also be observed that from G.O., dated 31st May 1892, No. 1289 L, in point of work this district has been treated as the heaviest in the Presidency and the pay of the audit head clerk in the Treasury—a Government servant—has been raised from Rs. 50 to Rs. 75. The office of head clerk is not less responsible nor weighty.

Rs. 8 × 12 or 96 or Rs. 190 in round numbers per annum for the two Taluk Boards.

33. *Establishment in the Taluk Boards' Offices.*—The increase of Rs. 190 is due to the marginally-noted changes in each of the Mannárgudi and Pattukkóttai taluk board offices. Owing to the heaviness of work in the taluk boards, the district board thinks that the increase should be sanctioned, though it involves an excess over the maximum grant of Rs. 33 sanctioned in G.O., No. 1091 L.F, dated 6th September 1886, for taluk board offices.

37. *Allotment to Taluk Funds.*—A sum of Rs. 6,840 is proposed to be allotted to the taluk boards as per margin for the purposes noted against each.

38. Proposition statements for the changes referred to in paragraphs 20, 22, 23, 24, 25, 26, 28, 29, 30, 31, 32 and 33 are enclosed.

From the Hon'ble Mr. D. DUNCAN, M.A., D. Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 16th January 1895, No. 337.

I have the honour to submit the following remarks on the educational portion of the District Board budget, Tanjore, for 1895–96.

2 *Receipts.*—Credit has been taken for Rs. 1,000 under building grants for the Mannárgudi taluk board. The figure may be reduced to Rs. 300. It is presumed that the building grants, for which credit is taken, are intended for upper primary or lower secondary schools.

3. *Charges.*—(i) The district board has made provision for the working of three sessional schools

	Rs
* Four masters at Rs. 20 for three months each	240
Fifteen stipends on Rs 5 for three months for four schools	900
Contingencies for four schools at Rs 5 each	20
Total	1,160

Owing to the large number of unpassed teachers in the district. I would recommend that the allotment be increased to Rs 1,160, * so that one more school may be worked.

(ii) The provision made for the opening of Pariah and Muhammadan schools by the several taluk boards meets with my approval.

(iii) It is not known whether the board school proposed to be opened at Manigramam in the Shiyali taluk is intended for backward classes. If so, the provision made for it may stand I would strongly recommend that board schools should not be opened in places where results schools are at work or are likely to be opened as trained teachers become available.

(iv) The proposal to pay results stipends at 75 per cent. of the maximum rates is approved, but as regards schools intended for backward classes, I would recommend that the stipends be paid at the maximum rates. This concession is necessary for some time to come.

(v) The Mannárgudi taluk board has made no provision for the supply of furniture. It is recommended that a lump sum of Rs. 200 be allotted for the purpose.

(vi) It is not known whether the taluk boards have allotted any sum under Grant I for the construction of school sheds for elementary salary-results schools. If not, I would recommend that a lump sum of Rs 1,000 be entered for the purpose.

From J. THOMSON, Esq, President, District Board, Tanjore, to the Chief Secretary to Government, dated Tanjore, 22nd January 1895, Current No. 1136-D B

In continuation of my No. 1136, dated 19th December 1894, I have the honour to submit herewith the proposition statements referred to in the margin as well as an alteration memorandum for budget statement No. I-B

Elementary schools, Negapatam and Nannilam taluks—

(1) Muttam.
(2) Kudavasal
(3) Karunganni.
(4) Nannilam.
(5) Sarabojirajapuram.
(6) Kadalangudi
(7) Survey establishment referred to in the remarks column of Statement No. 21 shown in the list of statements submitted with the budget.

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 12th February 1895, No. 133.

With reference to Grant III of the budget estimate of Tanjore district board for the year 1895–96, I have the honour to state that no provision having been made for compensation in lieu of quarters to the medical subordinates a sum of Rs. 1,320 should now be provided.

2. I approve of the provision for the additional staff proposed by the district board for the Raja Mirasidar's hospital, though in my opinion such staff is quite inadequate for the requirements of this large hospital. In the case of the nurse the designation appears to be an incorrect one; it may therefore be changed to "midwife." As regards the apothecary the appointment is too important to be held by a junior and inexperienced man on Rs 50 per mensem who will have to be constantly changed. Necessary provision should therefore be made in the budget for a higher grade of apothecary on Rs. 75 per mensem, especially as the board cannot advance the plea of impecuniosity.

From Surgeon-Lieut.-Colonel W. G KING, M B, C.M., D.P H, Acting Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Tirupati, 9th March 1895, No 473-S.

With reference to the budget estimate of the Tanjore district board for 1895–96, I have the honour to state that the provision therein made for vaccination is sufficient, and calls for no remarks For sanitation Rs 35,090 are allotted against Rs. 34,540 entered in the current year's budget. The proposed expenditure is 4 3 per cent. of the estimated receipts The district is notorious for the presence of dysentery and diarrhœa, and of cholera to an extent to render it probable that it is really endemic. There is, as might be expected, with such conditions, vast room for improvement of existing water supplies, and I can see no reason why, with the existence of such apparent danger to human life, this board should consider that in allotting the trivial sum of Rs. 4,130 to be scattered over the whole of the numerous villages in the district their duty is fulfilled in this respect towards the sanitary wants of the people. As showing the lukewarmness with which sanitary advance is regarded, I would point to the fact that the board has sanctioned a considerably larger sum for "lighting charges" of the villages. I would advise that the allotment for sanitation be raised by the district board in consultation with the District Sanitary officer to the extent of double the present percentage upon the total income.

2. Under Grant I, a sum of Rs. 3,580 is set apart for the construction and repair of tanks and wells.

REVISED ESTIMATE FOR 1894–95

2 The current receipts and charges are now estimated at Rs. 10,28,420 and Rs. 9,89,570, respectively, against Rs. 9,85,250 and Rs. 11,08, 760 anticipated in the sanctioned budget. The increase in the receipts occurs chiefly under land-cess and interest on Government securities, while the decrease in the charges appears under Grants I, II and III, miscellaneous debt accounts and reserve. The amount taken credit for as the net profit of the Máyavaram-Muttupet Railway will be raised from Rs 36,500 to Rs. 39,000, with reference to G O., dated 10th January 1895, No. 16, Financial, recorded in G.O., dated 29th January 1895, No 183 L. Under contribution to provincial services for sanitary inspection the current year's budget provision of Rs 2,870 and not the actuals of 1893–94 amounting to Rs 2,700 should have been repeated. The balance to be carried forward to the ensuing year's budget will be Rs. 2,39,620, distributed among the several funds as shown below :—

Endowment funds	59,410
Railway Guarantee fund	1,23,010

Total	2,39,620

BUDGET ESTIMATE FOR 1895–96.

3. *Receipts.*—The receipts for the next year are placed at Rs. 8,10,730 against the revised estimate of Rs. 10.30,920, the decrease occurring chiefly under land-cess and withdrawal from investments in favour of the Railway Guarantee fund. With reference to paragraph 2 of the Director's letter read above, it is observed that, under chapter VII, article 2 of the revised Grant-in-Aid Code, the Mannárgudi taluk board is entitled to Rs. 1,000, being a third of the estimated cost of Rs. 3,000 of a new building for the secondary school at Tirutturaippúndi. The attention of the taluk boards concerned will be drawn to the Director's remark in paragraph 2 of his letter. The amount taken credit for as the net profit of the Máyavaram-Muttupet Railway will be raised from Rs 36,500 to Rs. 38,000, with reference to G.O , dated 10th January 1895, No 16, Financial, recorded in G.O., dated 29th January 1895, No. 183 L.

4. (1) *Charges.*—The probable charges are put down at Rs. 8,09,300 against Rs. 9,89,740 in the revised estimate, the decrease which occurs under Grant I being partly counterbalanced by increases under the other grants and reserve

(2) *Grant I.*—No expenditure should be incurred on any of the new works provided for in the budget until their plans and estimates have been sanctioned by competent authority. With reference to paragraph 3 (VI) of the Director's letter it is observed that a sum of Rs. 600 has been provided for the construction of school-houses by the Tanjore and Kumbakónam taluk boards. The continuance for another year of the survey and toll-gate establishments referred to in paragraphs 19 and 20 of the President's letter is sanctioned. The contribution to the Public Works Department for the scrutiny of the Local Fund plans and estimates will be reduced from Rs. 290 to 210, with reference to G.O , dated 12th December 1894, No. 2582 L. A sum of Rs 89,000 instead of Rs. 1,00,000 will be provided as contribution to provincial funds towards the construction of the Máyavaram-Muttupet Railway in accordance with G.O , dated 15th December 1894, No. 1106, Financial, recorded in G.O., dated 11th January 1895, No. 29 L.

(3) *Grant II.*—The additions to, and alterations in the educational establishments, proposed in paragraphs 22 to 26 of the President's letter, are sanctioned. The suggestions in clauses (i) and (v) of paragraph 3 of the Director's letter will be referred to the District and Mannárgudi taluk boards, respectively, and those in clauses (iii) and (iv) of the same paragraph to the taluk boards for consideration.

(4) *Grant III.*—The provision for hospitals and dispensaries will be raised by Rs. 1,620 as recommended in paragraphs 1 and 2 of the Surgeon-General's letter read above. It should be remembered however that under G.O., dated 24th January 1895, No. 154 L., a compensation of Rs. 5 per mensem is the maximum that can be allowed to each hospital assistant and that such compensation need be granted only to hospital assistants who are Government servants. The revision of the medical and

choultry establishments, proposed in paragraphs 28 to 31 (*a*) of the President's letter, is sanctioned, but the President's attention is drawn to the Surgeon-General's remarks regarding the former in paragraph 2 of his letter. The remarks of the Sanitary Commissioner in paragraph 1 of his letter will be referred to the local boards. Under contribution to provincial services for sanitary inspection the actuals of 1893–94 amounting to Rs. 2,700 and not the current year's budget provision of Rs. 2,870 should have been repeated and the provision of Rs. 60 made for cutlers' establishment will be struck out with reference to G.O., dated 18th January 1895, No. 97 L.

(5) *Grant IV.*—The contribution for controlling establishments at the Presidency should be Rs. 6,730 and not Rs. 6,770. The increase in the pay of the head clerk of the district board's office and the revision of the Mannárgudi and Pattukkóttai taluk boards' office establishments, proposed in paragraphs 32 and 33 of the President's letter, are sanctioned.

5. *Balance.*—The budget, as revised by Government, closes with a balance of Rs. 2,52,280, of which Rs. 1,130 appertain to unions, Rs. 42,780 to endowed institutions and Rs. 1,88,310 to the Railway Guarantee fund, leaving Rs 20,060 or 4 per cent. of the receipts available for general purposes.
