READ—the following papers:—

From Mr. MAHOMED HABIBULLA SAHIB, Delegate Chairman, Municipal Council, Vellore, to the Executive Engineer, Vellore, dated 3rd August 1895, No. 804-Gl.

I have the honour by desire of the council to request that you will be good enough to place at its disposal the buildings * recently occupied by the Station Staff officer as his office for the location of a dispensary for women and children. A lady apothecary has been engaged by this municipality solely for the treatment of caste and gosha women and of children, and it is therefore desirable for the system to prove a success, that a building quite secluded from public gaze and curiosity should be procured in a central part of the town and which by being conveniently situated can at all times demand the superior skill and supervision of the District Medical and Sanitary officer. All these advantages exist in the building, which was occupied by the office of the Station Staff officer, and I have the honour, therefore, to request that you will be pleased to place the building at the disposal of the municipality for the purpose above described.

* *Vide* item No. 8 to 8 (*b*) in the register of public buildings of North Arcot division.

As the opening of the dispensary in question is delayed for want of a suitable building, I request the favour of a very early reply.

No. 274.

Copy forwarded to the Superintending Engineer, IV Circle, with a request that the orders of Government may be obtained to transfer the building to the Municipal Department subject to the following conditions:—

(1) The building must be kept in repair by the municipality and surrendered at three months' notice should it again be required by Government.
(2) No structural alterations or additions should be made without the approval of the Public Works Department.

8th August 1895.
