Sir,

The Examiner, P.W. Accounts,
points out that the sanction accorded by
Government in their No. 1061.S. dated 6th Nov
1895, applies only for one month and has
therefore disallowed, pending fresh sanction,
the salary of the Surveyor from 1st April
to 6th May 1895, the period for which he was
actually employed for completing the
survey of the Gudumalai Project.

I have therefore the honor to request
that necessary sanction of Government
may be obtained for the period in question.

The Chief Engineer for Irrigation
Suptg. Engineer IV Circle
Examined & A.C. account.

No. 433 of 3 August 1895

From - J. S. Wilson Esquire, Executive Engineer Southarcot Du.

To - The Superintending Engineer V Circle.

Sir, I have the honour to bring to your notice that Sergeant J. O. C. Phelan, overseer 1st grade, for want of a house was compelled, with my permission, to live in the building "Barracks at Manjaerppa" from 25th May to 16th June 1895. The normal rent of the building is Rs 3 per mensem and the overseer was charged this rate. The Examiner objects to this rate and points out that under Code Vol. I Chapter 8 para 31, he should either be charged the rate of his rank viz at Rs 7 per mensem or sanction of Government obtained for an exception being made in his case. That the normal rent for the building is only Rs 3 per mensem and that the overseer had to occupy it as a matter of necessity, I do not think that he can in fairness be charged at Rs 7 and I therefore request that the necessary sanction of Government to charge him at Rs 3 per mensem may be obtained.

2. The Overseer vacated the building with effect from 17th June 1895 and he now lives in a private building.

I have &c

Signed - J. S. Wilson

No. 302.W.

Copy - Submitted to the Chief Engineer P.W. Dept. with the recommendation that under the circumstances explained, sanction may be accorded to Sergeant Phelan being charged rent at the rate of Rs 3 per mensem for the period during which the building was occupied by him viz from 25th May 1895 to 16th June 1895.
