READ—the following paper :—

From the Executive Engineer, Cuddapah Division, to the Superintending Engineer, III Circle, dated Bellary, 2nd July 1895, No. 721.

I have the honour to forward, herewith, a copy of a letter from the Collector of Cuddapah asking me to obtain the sanction of Government to the conversion of the old taluk cutcherry buildings at Rayachoti into the following offices when the new cutcherry is completed and occupied. I therefore request you will apply for the necessary sanction.

1. The cutcherry to be converted into a public choultry.
2. The Police station to be converted into a village chavadi.

I am not sure if the sanction of Government is actually necessary, as I cannot find anything in the Government of India Code to correspond to paragraph 980 of the old Madras Code, and I shall be obliged if you will give me a definite ruling on the subject.

Review of Provincial Civil Works Budget Estimates of Expenditure
for 1895-96.

Read—

Public Works Department Code, Volume II, Chapter VII, paragraphs 3 and 4.
Finance Department Resolution No. 1142, dated 17th March 1892.

RESOLUTION.—Under the rules regulating the administration by Local Governments and Administrations of Provincial Revenue and Expenditure, the Government of India exercise a general control over the expenditure on Public Works from Provincial and Incorporated Local Funds. The funds set aside for outlay on Provincial Civil Works under the control of Public Works officers during 1895-96, the fourth year of a new provincial contract, are analysed in the following paragraphs.

The expenditure by Public Works officers on Civil Works, from Incorporated Local Funds, has been reviewed separately.

2. In the following table the grants for 1895-96 are compared with the outlay on Provincial Civil Works during the five years ending 1893-94 and the Revised Estimate for 1894-95 :—
