PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From the Inspector-General of
Police, Madras, of 11th May 1895, No. 2816.

I have the honor to bring to
the notice of Government that the Police
Station at Tiruvadanai in the Madurai
District constructed in 1872-73 by the Public
Works Department, was abandoned in 1884
as it was in very unsafe condition. In 1887,
the building, which was in ruins, was
handed over to the Public Works Department.
Since 1884, the Police Station has been located
with the permission of the District Magistrate
in the Treasury and jail guard room of
the Deputy Tahsildar's kutcherry.

The Deputy Tahsildar's kutcherry,
built on the standard plan, contains a
room for the jail and Treasury guard, but
has not sufficient accommodation for
a Police Station. The strength of the Station
is 1 Head and 11 Constables.

at a cost of Rs 1194

3 In March 1893, the District Magistrate notices that the accommodation in the Kutcherry was very limited, and desired the Superintendent to arrange, at an early date, for the removal of the Station. The Superintendent of Police reports that the marginally notes accommodation* can be provided for the Police in the Kutcherry itself by extending it at a cost comparatively less than the building of a new Police Station house on the old site would involve. No rented building is available.

* 1 Room - 15' x 12'
1 - do - 10' x 7'
1 - do - 10' x 7'

24. The Public Works Department is preparing a plan and estimate for a record room to be added to the Kutcherry, agreeably to G.O. No. 560th of 11th March 1895 and the District Magistrate desires that the sanction of Government may be obtained to the proposal to enlarge the building for the Police Station so that both these works may be embodied in one estimate. A rough plan showing the present building and the proposed extension is herewith submitted for reference.

In these circumstances, I request Government may be pleased to sanction the enlargement and its execution by

by the Public Works Department.
6. The work viz construction of a second Law station house at Sivuradanai was included in list A, referred to in G.O. No. 2187, of 28th November 1893, J.D.

Endorsement of the Revenue Dept.
of 20th July 1895, No. 2904 ^{the following} or Proceeding of the Board of Revenue, Land Revenue of 15th July 1895, No. 3522.

Read the following letter from J. Sivagayam, Ag. Collector of Madras, to the Secretary to the Commissioners of Land Revenue, Madras, of 8th July 1895, Disposal No. 2329 of 1895.

With reference to Board's Proceeding No. 3027 Mis of 18th June 1895, I have the honour to state that there is not sufficient accommodation for a Police Station in the Sivuradanai Deputy & Subildar's Office. New buildings are required and if the proposed Extension meets the views of the Superintendent of Police as apparently it does, I see no objection to the plan, which will be cheaper than constructing a separate Station.
