GODAVARI DISTRICT,
COLLECTOR'S OFFICE,

FROM

Godavari, 17-7-1895

VA Brodei Esquire,
ag. Collector,
Godavari District.

TO

The Secretary to the Commissioners
Land Revenue, Madras.

SIR,

The Deputy Tahsildar of Sivakodu Division reported (in January last) through the Deputy Collector, Narsapur that an extension to his office building at Razole was urgently required for the storage of unclaimed property and for the safe custody of the Cash chest. The Divisional officer also recommends this addition. As the building is a standard one constructed on a type design, the Superintending Engineer, 1st circle, was requested to make the necessary estimates for it, in consultation with the Deputy Tahsildar. He now states that the estimated cost of the proposed extension comes up to Rs 1140 and that as G.O. no 2086 W 7-10-92

72806?

was not much

prohibiting the preparation of estimates for new
works for other Departments likely to cost more
than Rs 500, without the sanction of Government,
applies to improvements also, the orders of Government
must be obtained for the preparation of the necessary
plans and estimates by his Department.

In the circumstances stated above, I request
that the work may be sanctioned and orders
issued for its early execution by the Public
Works Department.

I have the honor to be

Sir,

your most obedient Servant.

Jay Va Bhandi

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From the Inspector-General of
Police, Madras, of 11th May 1895, No. 2816.

I have the honour to bring to
the notice of Government that the Police
Station at Siviradamai in the Madurai
District constructed in 1872-73 by the Public
Works Department, was abandoned in 1884
as it was in very unsafe condition. In 1887,
the building, which was in ruins, was
handed over to the Public Works Department.
Since 1884, the Police Station has been located
with the permission of the District Magistrate
in the Treasury and jail guard room of
the Deputy Sahildar's Kutcherry.

The Deputy Sahildar's Kutcherry,
built on the standard plan, contains a
room for the jail and Treasury guard, but
has not sufficient accommodation for
a Police Station. The strength of the Station
is 1 Head and 11 Constables.

at a cost of Rs 1194
