REVENUE BOARD OFFICE
MADRAS

Proceedings of the Board of Revenue

(Land Revenue).

Dated 26th July 1895.

No. 3730 Miscellaneous.

READ the following letter from K. C. Manavedan Raja Esquire,
Acting Collector of Nellore, dated 17th July 1895
No. 2056 acc to the Secretary to the Commissioners
of Board of Revenue, Land Revenue, Madras.

At present there is no room for the Assistant Collector in the Collector's office. One of the upstair rooms is occupied by the Head Quarter Deputy Collector and the other by the District Forest officer. The Hall in the centre is intended for the Collector, while his private room is adjacent to it on the north. It would be well, if the Treasury Deputy Collector is given accommodation in the new Treasury building for which plans and estimates were sent to the Board on 9th May last together with the Superintending Engineer's (2nd circle) letter dated 28th April 1895, No. 76 for transmission to Government for Sanction.

Ref Board's 1141 acc dated 6.5.95.
D.O. 1702 W 11-7-95

2.

2. The Treasury building now estimated for is detached from the Main Office and is not even within sight of the Treasury Deputy Collector. If an upstair room is provided for the Treasury Deputy Collector in the new Treasury building, that now occupied by him, will be available for the Head Quarters Deputy Collector or Assistant Collector.

I have the honor, therefore, to request that the Board will be pleased to move Government and obtain orders for the necessary alterations in the estimate.

Resolution

Submitted for the orders of Government with reference to Government Order dated 14th June 1895 No 2694 Rev:. The Board supports the Collector's recommendation.

GODAVARI DISTRICT,
COLLECTOR'S OFFICE,

From Cocanada, 17-7-1895.

V A Brodie Esquire,
ag. Collector,
Godavari District.

To

The Secretary to the Commissioners
Land Revenue, Madras.

Sir,

The Deputy Tahsildar of Sivakodu Divn reported (in January last) through the Deputy Collector of Narsapur that an extension to his office building at Razole was urgently required for the storage of unclaimed property and for the safe custody of the Cash chest. The Divisional officer also recommends this addition. As the building is a standard one constructed on a type design, the Superintending Engineer, 1st circle, was requested to make the necessary estimates for it, in consultation with the Deputy Tahsildar. He now states that the estimated cost of the proposed extension comes up to Rs 1140/ and that as G.O no 2086 W 7-10-92
