GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.  
Establishment.

READ—the following papers :—

From Major W. L. C. BADDELEY, R.E., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated Bezwada, 29th June 1895, No. 759 K.S.

I have the honour to inform you that the Collector of Kistna has, during the past year, called upon me to submit lists of contractors and their addresses, with the gross amounts paid to them, in view to assessing them for income-tax.

2. The preparation of this return involves a considerable amount of trouble in the division offices, and, according to the Act, it appears that a reference should only be made to me *at the instance* of any contractor who thinks his assessment is incorrect (*vide* section 44, Chapter VI, Act II. of 29th January 1886).

3. If the returns are considered necessary, I beg to request that they may be included in the list of annual returns in order that the required information may be booked whenever a payment is made to a contractor. Arrangements will also have to be made for registering their addresses.

4. I am not at all in favour of this department being obliged to furnish this information, but if it is necessary, it must be arranged for in a systematic manner and printed forms with definite instructions are desirable.
