I am very much
To make due to the difficulty in want of a couple
Engineer with a report 'tent maistry' to Superin
that he will be good tend the Salug catchery
enough to sanction the and other works at
Jomney, which is Kollegal, also skilled
very necessary in the workmen and Brick
interests of Govt. moulders. I have tried
my best to obtain men
from Bangalore, Mys-
sore & other places
but have failed.
