

SUPERINTENDING ENGINEER'S OFFICE,

No. 325-W.

V Circle, Madras,

Chapák, 31 March 1895.

From

Lieut. Colonel C. C. Rawson R.E.

SUPERINTENDING ENGINEER, V CIRCLE,

To

THE Chief Engineer P.W. Department

Enclosures.

SIR,

At the request of the Military Secretary to His Excellency the Right Honourable the Governor, 12 vacant Police Huts near the Tahsildar's Cutcherry at Guindy were taken over by this Department from the Supt. of Police, Chingleput, with a view to meet the insufficiency of accommodation for servants at Government House.

2. As the huts were required in connection with the Government House, Guindy, the Consulting Architect to Government was requested to take them over from the Executive Engineer Chingleput Division. The Consulting Architect in reply

stated that the huts were in a most dilapidated condition and that the doors and windows had been removed.

3. ^{under} In the above circumstances, my predecessor in March last ordered that the materials should be sold by auction and that the huts should be removed from the locality.

4. With reference to para 20 Chapter X Volume I of the Code I have now the honour to request that the formal sanction may be accorded for the sale of the huts in auction in order to remove the objection taken by the Examiner for want of sanction of Government.

I have the honour to be

Sir

Your most obedt. Servant

Ch. L. Anson
