## PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Surgeon General, Madras, dated 18th.

August 1895, No. T/590.

I have the honour to state that in March last, I instructed the Superintendent Lunatic Asylum, Calicut to bring to the notice of the Public Works Department on 1st April each year the repairs required to be executed in the Asylum and to send reminders regarding (1) repairs of latrines (2) the want of pukka shed for storing dry earth (3) the drains required round the hospital and (4) Sheds required for refractory insanes but the Superintendent reports that the Executive Engineer refuses to execute any work pending the orders from Government on the question of the abolition of the institution.

2. As there is no prospect of the Asylum being closed this year, I request that orders be issued to the Public Works Department to execute such repairs &c. as may be considered by the Superintendent to be very necessary.

O R D E R, dated 30th. August 1895, No. 1819.

The Public Works Department should instruct the Executive Engineer to take steps to execute such

repairs

repairs as may be necessary and cannot be carried out by  
departmental agency.
