Tools and Plant	...	1,63,353
Grand Total	...	30,20,000

2. In accordance with G.O., No. 525 W., dated 28th February 1893, heads of departments have submitted budget estimates for original works costing over Rs. 500, and Superintending Engineers and the Consulting Architect for original works costing Rs. 500 and less and for repairs. The allotments for works have been fixed by the budget committee in accordance with the procedure approved in G.O., No. 2856 W., dated 11th October 1883. The works for which funds have been provided are shown under class A, while schedule B contains works for which no allotments have been made, but which can be brought forward during the year should funds become available.

3. Funds have been provided for all works in progress and for all sanctioned new works brought forward by heads of departments. Provision has also been made for a small number of unsanctioned new works which should not however be commenced until estimates have been duly sanctioned.

4. A sum of Rs. 1,41,000 has been provided for the Women and Children's Hospital at Madras. A portion of this sum, estimated to amount during the year to Rs. 30,000, will be reserved for the Detention hospital which has to be provided in exchange for the existing buildings.

5. The amount required for incomplete works will be provided from the reserve on receipt of detailed proposals from Superintending Engineers and the Consulting Architect. These should be submitted as early as possible after the close of the current official year.

6. Allotments for minor works and repairs have been made to the full extent of the demands.

7. The distribution of grants for minor works and repairs is shown in part II of the budget and that for tools and plant in part IV.

8. No allotments have been made for agency works in the Jeypore estate. These will, under G.O., No. 200 W., dated 25th January 1895, be resumed by the Public Works Department, and the Superintending Engineer will apply as early as possible for funds required during 1895-96.

9. With reference to G.O., No. 2557 W., dated 13th October 1894, a sum of Rs. 120 has been provided for the conservation of archæological works.

10. The allotments applied for by the Chief Engineer, Military Works, Madras Command, for expenditure on minor works and repairs at Bangalore and Wellington have been provided in part II.

11. The cost of establishment for 1895-96 is estimated at Rs. 21,96,639 or Rs. 17,272 in excess of that for 1894-95. The net debit to Provincial Civil Works is Rs. 5,09,643 or 21.7 per cent. on the grant for works as against 31.1 per cent. in 1894-95. The reduced percentage is due to increased contributions from other funds and to a larger grant for expenditure on works under Provincial.

12. A sum of Rs. 53,000 has been reserved in the budget under Tools and plant for the supply of tents to Public Works officers. This amount will be distributed to circles in separate Proceedings.

13. As the net result of transactions under "Suspense" is not expected to show either increase or decrease in the accounts for 1895-96, part VI of the budget has been omitted.

14. Superintending Engineers and the Consulting Architect will make proper arrangements for the early submission of plans and estimates for the unsanctioned works provided with allotments.

15. Appendix D has been omitted from the budget in accordance with the instructions contained in paragraph 6 of the Government of India Resolution No. ¹⁸/_{B.O.} A.C.W., * dated 23rd March 1893.

16. The budget estimate of receipts for 1894-95 was fixed at Rs. 1,04,000. The revised estimate has been increased to Rs. 1,60,000 on consideration of the actuals for the first five months of the year.

17. The difference between the budget and the revised estimate of charges for 1894-95 is due to the following causes:—

(a) Transfer to the Agent to the Governor, Vizagapatam, of the grants for Civil Agency works.

(b) Transfer to the Civil Department of the grant for warders' huts at the District Jail, Tanjore, the execution of which was undertaken by the jail authorities.

(c) Transfer of Rs. 39,360 to 43. Provincial Minor Works and Navigation.

(d) Transfer from the civil budget of the grant for repairs to the Sea Customs building at Vizagapatam.

18. With these remarks the preliminary issue of the Provincial Civil Works budget for 1895-96 will be printed and circulated to the officers concerned and four copies forwarded to the Government of India, Public Works Department.
