## Irrigation.

READ—the following paper :—

From T. CHICHELE-LOWDEN, Esq., C.S.I., Resident at Hyderabad, to the Joint Secretary to the Government of Madras, Public Works Department, Irrigation Branch, dated 19th June 1897, No. 3451.

I have the honour to refer to my letter, No. 3380, dated the 15th June 1897, regarding the construction of a new anicut by the officers of the Madras Government between the frontier villages of Mandwa-Kalan and Polampalli.

2. I have now to forward a copy of a letter No. 783, dated the 12th June 1897, received from His Highness the Nizam's Minister, from which it will be seen that having regard to the fact that the matter is urgent, His Highness' Government withdraw all opposition to the construction of the anicut in question, as proposed by the Government of Madras. I would, however, invite your attention to the concluding portion of the 2nd paragraph of the Minister's letter under transmission.

## ENCLOSURE.

Copy of letter from His Highness the Nizam's Minister, Hyderabad, to the First Assistant Resident, Hyderabad, dated 12th June 1897, No. 783.

Kindly refer to correspondence ending with your letter, No. 964 of 25th May 1897, regarding the construction of a new anicut by the officials of the Madras Government between the frontier villages of Mandwa-Kalan and Polampalli.

2. I now write to inform you that, owing to delay on the part of the District officials, full particulars have not been obtained as to the loss which the Government will have to undergo on account of repairs to this anicut. As, however, the matter is so pressing, His Highness' Government do not desire to delay their reply on this account. His Highness' Government therefore withdraw all opposition to the construction, as proposed, of the anicut between the two villages named above. If, hereafter, it is found that new land is submerged by the water impounded by the anicut, a claim for compensation will be made.

3. A copy of the Government order, which is being issued on the subject to the Subadar, will be sent to you later on.

ORDER—No. 615 I., dated 5th July 1897.

Communicated to the officers concerned for information, in continuation of G.O., No. 581 I., dated 28th June 1897.

2. The Superintending Engineer, II Circle, will report at an early date whether any new land in the Nizam's Dominions is likely to be submerged by the water impounded by the Munnyeru anicut.
