READ—again the following papers:—

G.O., No. 363, Financial, dated 6th June 1896.

ABSTRACT.—Exempting the Special Assistant Agent, Gódávári, from payment of charges for the use of Public Works Department steamers on the occasion of his journeys to Bhadráchalām, and directing that his travelling allowances in such cases should be regulated by clause (1) of article 1092, Civil Service Regulations, and that the extra cost of towage should be debited to the Civil department.

G.O., No. 492, Financial, dated 19th August 1896.

READ—also the following paper:—

From R. A. GAMBLE, Esq., Under Secretary to the Government of India, Finance and Commerce Department, to the Chief Secretary to the Government of Madras, dated Simla, the 30th April 1897, No. 1989-A.

I am directed to acknowledge the receipt of the papers forwarded with your endorsement, No. 493, dated the 19th August 1896, in which it is requested that the Government of India may confirm the proceedings of the Government of Madras directing the debit by the Irrigation department to the Civil department of expenditure incurred by the former in respect of travelling charges of the Special Assistant Agent, Gódávári.

2. I am to explain that there are objections to allowing one Government department to pass on to another, in account, expenditure which in ordinary course would have to be met out of an officer's private resources (whether subject to subsequent recovery from Government or not). I am to refer you to article 1131 (a) of the Civil Service Regulations and to say that it will be preferable that the Government of Madras should pass the necessary orders under that article either generally or for particular occasions, and should direct the Irrigation department to recover its charges, as defined and limited by the Government of Madras, from the officer concerned, leaving him to make the necessary recovery from Government by a travelling charges bill.

3. I am to say that this order may be passed in the present case, notwithstanding that the officer concerned is a "first-class" officer.

4. The Accountant-General will be directed to adjust past charges debited to him under the orders of the Government of Madras above quoted.

ORDER—No. 484, Financial, dated 19th June 1897.

In supersession of G.O., No. 363, dated 6th June 1896, His Excellency the Governor in Council is pleased to direct that the Special Assistant Agent, Gódávári, although an officer of the first class, shall, when using the steamers of the Public Works Department on the occasion of his journeys to Bhadráchalām, draw, under clause (a) of article 1131 of the Civil Service Regulations, the actual expenses incurred by him, the certificate required by clause (b) being furnished by the Government Agent, Gódávári. The rates debitable for each of these journeys will be determined by the Public Works Department, who will recover the charges direct from the Special Assistant Agent.
