Sir, with reference to your letters marginally noted inquiring if the Govt of Madras has any objection to the construction by the Mysore Durbar of a channel from the left bank of the Pinakini river between the points where that river enters & leaves Mysore territory, I am directed to inform you that a reply will be sent as soon as information called for from the Supdg Engr, III Circle, has been received. The urgency of famine relief prevents the subject being dealt with as quickly as might otherwise have been the case.
