Current No. 8531

Letter No. 3262

Dated 22nd September 1896

From the Consulting Architect to Govt.

[Signature] NOTE BY TECHNICAL SECTION.

Name of work Re-roofing the Green house

at Govt. House, Gundy.

Amount of estimate Rs 1430

With reference to para 3 of
Co. W. 1700 W dated 11th July 1895,
the Consulting Architect submitted
a revised estimate, amounting
to Rs 1430, for re-roofing the green
house at Govt. house, Gundy, in
lieu of the original estimate, a-
mounting to Rs 3750, which pro-
vided for a corrugated iron roof
on the ground that it would last
long. This estimate was objected
to & sanction deferred, hence the
necessity for the present estimate.

The existing thatch roof is re-
ported to be very leaky & that most
of the timber work decayed, it is
therefore proposed to remove the
whole roof & renew the thatch roof
for half the portion of the Green house
with bamboo mats & new thatch rafters
& supports & for the remaining half

half better work with old palm-leaf
letters & new teak papers.

Permission has been made for
raising the floor of the green house
one foot, as well as the pillars &
walls, owing to the existing floor
which is reported to be in level
with the ground surface & which
becomes submerged during the rains
also for renewing the brass-
work & glazed shutters.

The scantlings for roof
timber work are correct and the
rates are fair.

The estimate is in order.

for orders.

With reference to para 2
of the letter from the G.O.S.
dated in No. 2613 W of
9 Sept 1896, it seems necessary
to take His Excellency's orders whether
this work should be carried out
in the current official year.

The ~~estimated~~ ^{estimated} expenditure, letter
to G.O.S. forwarding a schedule of
works to be carried out at Govt.
House, Madras & Pondicherry is at present
awaiting a reply from India.

*Ag. Consulting Architect
to the Government of Madras,*

The Chief Engineer

Public Works Department

Sir,

With reference to para 3 of GO No 7002 of
11th July 1895 I have the honour to state that the
original estimate for the Green house provided
for corrugated iron roof covering on the
grounds that it would last for a long time.
As this was however properly objected to, a re-
vised estimate for Rs 1430 approved of by the
Military Secretary to His Excellency the Governor
is now submitted for sanction.

2. As the Estimate for the above ^{work} which was received in this Office after the issue of the schedule forwarded with my No^x 2631 dated 18th August 1896, it could not be included in that schedule. It is therefore requested that early orders for the commencement of the work may be issued and a Supplemental Schedule

Schedule forwarded for the ^{approval of the} Government
of India.

I have the honour to be

Sir

Your most Obedient Servant

William Smith
