FURTHER PAPERS.

G.O.	No.	Department.	Date.

No. 325.

From,

The District Munsif,

Singapore.

To,

The District Judge,

Madras.

Sir,

In reference to the Proceedings of the District Court, dated 9th July, 1896, No. 252 calling for list of works for 1897-98, I have the honor to state that the accommodation of the Court is not sufficient and that all the officers of the Court have to sit and do business in one small room except the Head Clerk and Record-keeper. The room measures 31 ft. by 18 ft. and 12 persons have to sit and do business. The bazar who is one of them requires a separate room for his work as process books are constantly to be going to him and crowd him during time of distribution of processes &c. Much inconvenience is felt thereby and therefore

Witnessed by the Court of Magistrates
 at Bangalore on the 29th day of August 1896.

No.	Particulars	Measure	Estimate
1	Compound wall round the Court House	(a) The front wall of the court measuring 210 feet long 1 1/2 feet broad and 7 feet high all bricks and Chunar 1080 ft including foundation also	4110
2	Tiles for the stack	(b) The roof on the rear wall 3 sides all of mud measuring 1050 feet long 1 1/2 feet broad 5 feet high	1000
		(c) For tiling the mud walls 20 feet long 16 feet broad and 8 feet high	300
			900

Attest
 Clerk

therefore I request that another room may be built for the bazar or the property room be extended so as to suit the purpose. The compound wall on the Southern side has to be raised just as on the other three sides; at present there is a small broken mud wall in the South belonging to the adjacent ground owner, and constantly cattle, pigs and asses trespass into the court compound through the Southern garden and commit great nuisance.

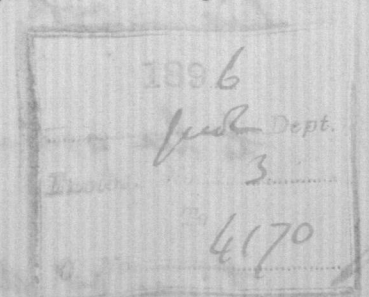

Quagga District
 District Court

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Registrar of the High Court of Judicature,
Madras, dated 16th September 1896, No. 4663.

1934 W
4-7-96
Adverting to G.Os. Nos. 433, Public, and 2806 W,
dated 27th June 1892 and 7th October 1892 respectively, I
am directed to forward herewith a copy of letter No. 486,
dated 24th August last, from the District Judge of Madura
with enclosures and to request that His Excellency the
Governor in Council may be pleased to sanction the preparation
of the plans and estimates for the necessary repairs and
improvements in the case of the District Munsif's Court
houses at Sivaganga and Paramagudi by the Public Works
Department.

ORDER :- No. 1673, dated 23rd October 1896.

The type design on which the District Munsif's
Court at Sivaganga has been constructed provides for a
separate room for the Nazir and the District Munsif's
statement that the Nazir has to sit in the same room with
the rest of the establishment is not therefore understood.
The room in question appears to be sufficiently spacious
to accommodate the remaining eleven persons who are now
working in it and there seems therefore to be no necessity
for the construction of an additional room for Copyists as
proposed. A suitors' shed is also unnecessary and it seems to be
sufficient to erect a mud wall with coping on the southern

side of the Court.

2. The District Munsif's Court and the Sub Registrar's Office at Paramagudi appear to be situated at the junction of two roads, and a compound wall enclosing these offices and running along the road sides may therefore be constructed. A suitors' shed does not however seem to be necessary.

3. Before passing orders on the proposal to construct cattle ponds in the Court houses referred to above, His Excellency the Governor in Council requests the Honourable the Judges of the High Court to be so good as to state what arrangements are now in force in these Courts and elsewhere for the detention of distrained cattle.
