SIR,

The Chief Engineer,

Public Works Department,

Madras.

Sir,

With reference to para 2 of G. O. No. 924 S. dated 22nd April, 1896, regarding Sale or Transfer of buildings not required for the Buckingham Canal, I have the honor to recommend that the Canal bungalows at Sakapally & Sadras be transferred at an early date to the charge of Executive Engineers Villave and Chingleput respectively. It has been ascertained that they will be useful as Rest houses in both Divisions.

2. The bungalows in question are both very old, are much in need of repairs, and are no longer required for the use of the Buckingham Canal, all important Capital Works in their

their neighbourhood having been
finished. There is thus no reason why
the Buckingham Canal Project should
continue to be burdened with the
cost of their upkeep, and there are no
funds available in that Division for the
restoration of roofs of both the buildings,
a work which is now becoming urgent.

3. As the Capital cost of the
bungalows was not charged to the Buck-
ingham Canal, no adjustment of
their value is necessary.

I have the honor to be.

Yours most ^{truly} obedient

Attn: Mr. W. J.
of the Supply Dept.
