W

The later statement in this case has not been very carefully prepared, but as the application is for temporary establishment, all the individuals intended to be employed in 1896-97 are shown under "increase" because the cost will be a fresh charge on the forthcoming year -

all the establishments shown under "present scale" are covered by the provisions quoted in Column (1) of the statement. No new items whatever are proposed for 1896-97, but a large portion of the existing establishment is to be discontinued -

The total cost in 1895-96 is 379 1/2 lakhs rupees, or Rs 3551 for the year (i.e. Rs 279 1/2 lakhs for 12 months & Rs 100 lakhs for 2 months, total Rs 3551)

The establishment proposed for 1896-97 is to cost

Part-
Abstract
of
Statement
of
Sanctioning
estimate

I have the honor to submit for the sanction of Government a revised estimate for constructing a Taluk Butecherry at Gooty amounting to Rs. 35,754.

2. The original sanction for this building given in G.O. No 2196 Wd/28-8-93 was for Rs. 33,564 to which was subsequently added a supplemental estimate for Rs 1,640 making a total of Rs 35,204, so that the amount now requiring sanction is Rs 550.

3. The necessity for this revision is due to the Taluk Butecherry having been built in the same compound as the Dy. Collector's Butecherry and the Sub-Registrars Office, instead of on the site originally selected, and as it is proposed to fence in these two buildings in addition to the Butecherry, the length of fencing required has had to be considerably increased.

I have the honor to be

Public Works Department.

Current No. *567*
 Letter No. *3218*
 Dated *10th January 1896*
 From the *Supy. Engineer III Circle*

NOTE BY TECHNICAL SECTION.

Name of work *First Class Taluk Office at
 Gooty in the Anantapur District.*
 Amount of Estimate *Rs 35,754.*

The S.E. III Circle submits for the sanction of Govt. a revised estimate, amounting to Rs 35,754 in lieu of the original estimate amounting to Rs 33,564 sanctioned in G.O. No. 2196 W dated 28th Aug. 1893 together with a supplemental estimate amounting to Rs 1640 for providing wooden record racks & barbed wire fence in lieu of above hedge around the compound, making a total of Rs 35,204 for the work.

The excess of Rs 550 over the original sanction & supplemental estimate is due to the substitution of plain galvanized wire fence for barbed fence as ordered in G.O. No. 1962 W dated 13th July 1894 & to the extra length of fencing now required owing to the building of the Taluk Office in the compound.

From *Compound of the Deputy Collector & Sub-Registrars Offices, instead of on the site originally selected, this has necessitated the fencing of the two buildings in addition to the Taling Office.*

To *The rates as far as can be examined are fair.*
The revised estimate & site plan have not been countersigned by the Collector of Anantapur & the necessity for altering the site originally selected for the Taling Office & new location is explained by the Deputy Collector & Sub-Registrars Offices in the enclosed.

*Thos
A. F. 1896*

The revised estimate can not be passed unless the site plan be signed by the Collector and the reason for locating the Taling Office in the Compound of the Deputy Collector's and Sub-Registrars Offices, explained.

*C. H. 18
