It will be observed from para 3 of G.O. No: 2439 W d/ 22nd September 1893 that proposals for increasing sub-divisional establishments are not to be entertained unless an equivalent reduction is made in Divisional offices. The necessity for the additional clerks is explained in letter No: 2549 d/ 25th August 1894 from the Ex. Engr Kistna Eastern Division, recorded with Memo: No: 1085 D d/ 26th Septr 1895 ~~and~~ but the S. E. does not propose a corresponding reduction in the Divisional offices.

Orders are therefore solicited as to whether proposals (a) and (b) and 2 temporary clerks for the Guntur and Head Quarters subdivisions of the Kistna Northern Division referred to in (c) should be sanctioned.

The sweeper required for the Head Quarters Subdivision of the Kistna Northern Division appears to be necessary and may be sanctioned.

(c) Kistna Northern Division - one sweeper on the temporary establishment on One Rupee per mensem for the Head Quarter Subdivision and 2 temporary clerks on Rs 15 each for the Guntur and Head Quarter Subdivisions.

2. The entry of two lascars on Rs.6 for the Bezwada Workshops is apparently a clerical error for 2 lascars on Rs.7 per mensem.

Sir

This G.O. relates to the increase of pay to Sanitary Supts in the North Arcot Dn

With reference to G. O. No. 2004 W. dd 14th Augt 1895 I have the honour to forward herewith for your approval and sanction of Government a proposition statement for additional establishment required for each of the Sub Dns of the 3 Kistna Dns.

2. Provision for permanent clerks in the Kistna Eastern & Western Dns has been made under the circumstances already explained in this Office Nos: $\frac{285\ G/C}{4.9.94}$ & $\frac{2388\ K.S.}{24.1.95}$

× 1055 D / 26.9.95

× 1055 D / 24.9.95

3. Permanent clerks for the Sub Dns in the Kistna Northern Dn are not necessary.

4. It is quite impossible for the Sub Dn Offices of these divisions to do their work properly without the assistance now asked for.

I have the honour to be, Sir, your most obedient servant,

therefore, much work both in accounts and correspondence.

3. No irrigation writer has been sanctioned for this (Delta Irrigation Dn) Office, as is the case with each of the 3 Delta Dn Offices in the Godavary District and consequently all the irrigation accounts work which is steadily increasing is being done by the existing Office establishment.

4. The River Conservancy and Project Sub Dns are now being formed and when in working order it will probably be necessary to apply for an increase in the strength of the Division Office

EXAMINER
20 SEP 1896

As called for in para 2 of your endorsement No. 217 Gl dy 20th Augt 1895, I have the honour to forward herewith a Proposition statement for increasing the strength of the 2 Delta Sub Dn. Offices in this Division for Sanction.

2. As I have on more than one occasion and lastly in my letter No. 215 dated 8th April 1895, explained the necessity for the entertainment of the 2 Clerks now applied for, I consider it unnecessary to reiterate the arguments here.

3. As regards an equivalent reduction to be made in the Strength of the Divisional Office as contemplated in para 3 of G.O. No 2439 W dy 22nd Septr: 1893. I do not consider it is feasible to do so for the following reasons

1st.- After the Sanction of the present Office establishment, 2 Sub Divisions (i) The Project (ii) the River Conservancy were Sanctioned and Consequently the work in Divisional Office has considerably increased.

2nd. All the Delta project works are in full progress and there is,

NOTES.

REFERENCE TO MADRAS P. W. D. CODE,
EDITION OF 1886.

PARAS. 25 & 26.

1. The column headed "present scale" should invariably show the *sanctioned scale for the time being* and not the strength of the actual (whether above or below sanctioned) establishment as it happens to stand at the time. The "present scale" should be verified by the examiner before the proposal is submitted to government for sanction (paras. 25 and 26).

2. In the column "average or fixed pay," financial value, not mean value, should be given.

3. The financial value should in the case of progressive appointments be calculated as follows:—

(1) If the period of rise from minimum to maximum is 5 years, the average will be the minimum *plus* two-thirds, or if the appointment is a ministerial one, *plus* three-fourths, of the difference between the minimum and maximum (C. S. R., Art. 164).

(2) If the period of growth exceeds five years (as in the case of accountants) the $\frac{3}{4}$th fraction should be decreased by $\frac{1}{60}$th of the difference for every year by which the period exceeds five; the fraction for periods in excess of five years will therefore be as follows:—

6 years $= \frac{3}{4} - \frac{1}{60} = \frac{44}{60}$
7 years $= \frac{3}{4} - \frac{2}{60} = \frac{43}{60}$
8 years $= \frac{3}{4} - \frac{3}{60} = \frac{42}{60}$

and so on; so that when the period of growth is 20 years the financial value will be the exact mean.
