No. 4252

FROM

W. A. Austin Esq. D. L. S.

CHAIRMAN, HARBOUR TRUST BOARD,

MADRAS.

To

The Honble Mr. D. McNeill Campbell R.
Chief Engineer, P. W. D.

SIR,

I have the honor to acknowledge
the receipt of your letter No. 1335 C dated
9th instant, and to inform you in reply that
I see no objection to proceeding to completion
with the construction of the building
immediately to the south of the Harbour
Masters office, intended for a public bonded
warehouses

2. The plan submitted to Government
with Mr. Le Jannis letter No. 3251 dated
20th November 1895, shows a new road, for
cart traffic, to the east of the present
North beach road, which will to a great
extent relieve that thoroughfare of the
greatly congested state of the traffic
at present continuous upon it, which
will I understand be shortly relieved

even before any road is constructed on
Harbour Trust property, by metalling the
existing road to its full width; such
being I am informed, the intention
of the Municipal Commissioners

3. Under these circumstances
there would not appear to be any
urgent necessity for widening the Beach
road, though to do so would undoubtedly
be an advantage.
