Report on No. 444 of 95

Sub Collector's Office -

6th October 1895

From

Robert. B. Clegg Esquire,

Ag. Sub Collector of

Tanjore

To,

The Collector of

Tanjore.

Sir,

In continuation of my reference on Car No. 444 of 95 dated 18th July 1895 disposed of in your No. 726 dated 30th ultimo re Mananthanathan Estate, I have the honor to forward herewith the estimate for No 360, received from the Executive Engineer Tanjore for the construction of tunnels across channels in the millage road leading to Maruppur. There is no provision for the work under the heads in the Budget Estimates of the Estate for this year; nor is money available under 'Sundries' in view to a transfer being effected. I request

therefore that special sanction of the Court of Wards
for meeting this additional expenditure from the closing
balance may be obtained at an early date and the
sanctioned estimate forwarded to the Executive Engineer
with instructions to begin the work and complete it before
the close of the fiscal.

2. The necessary funds will be placed at his
disposal as soon as the sanction of the Court is communicated
to me.

I have the honor to be

Sir,

Your most obedient servant

TO THE Collector of
Tanjore

SIR,

In reply to your reference
on cur No 467 of 95 dated 2nd November
1895 re Maruthanthalur Estate,
I have the honor to report that the
road across which the tunnels in
question are proposed to be constructed,
branches from road No 15 and
terminates with Karuppur village
the lands in which exclusively
belong to the Estate. This minor
road

road about half a mile in length

is reported to have been originally constructed by the late proprietor's father solely for the convenience of the Estate. The Local Board department has no right to or connection with it; hence the necessity for incurring the expenditure in question out of the Estate funds

2. As the work requires professional skill, it is proposed to entrust its execution to the Public Works Department.

I have the honor to be

Sir

Your most obedient servant
